SIKESTON, SCOTT COUNTY, MISSOURI TUESDAY MORNING, OCTOBER 9, 1934

NUMBER 3

One Killed, Two Injured As Trucks Crash In Fog

G. S. Sneed, 35-year-old driver for the Bryant Truck Line of Charleston, was almost instantly killed and his helper, Herbert Dickmeyer, 23 years old, of Charleston, was seriously injured when the truck which Sneed was operating crashed almost head-on with a large truck of the Silver Fleet Line of Memphis on Highway 61 fourteen miles south of Sikeston at 4:30 o'clock Saturday morning.

Fred Forby of Memphis, driver of the Silver Fleet transport truck, suffered only minor injuries.

At the Southeast Missouri hospital in Cape Girardeau, where he was taken soon after the wreck, Dickmeyer was found to have a possible fracture of the left knee and severe cuts and bruises on his head.

The accident was believed to have been caused by a heavy fog which hung over an area around Highway 61 from Sikeston to Memphis throughout Friday night and early Saturday morning.

Returning from Arkansas where he had taken a load of merchandise, Sneed was driving his empty truck north to Charleston at the time of the accident. The Silver Fleet truck, heavily loaded, was enroute to Memphis. Both machines are thought to have been traveling rapidly.

After they collided, the Bryant truck was forced past the Silver Fleet to a point nearby on the east side of the highway. The engine was badly twisted sideways, both wheels pressed back into the truck, one of them into the driver's cab, and the windshield and cab roof flattened. The Silver Fleet truck was also almost ruined. Another truck belonging to the Memphis line arrived at the scene early Saturday morning to transport the load to the Tennessee city, and Troopers John Tandy and Melvin Dace directed traffic on the littered thoroughfare.

Sneed, whose body was taken to Charleston for preparation for burial, is survived by his wife and two small children, who live near Diehlstadt.

Forby, who suffered only minor injuries, was treated by a physician at New Madrid. Dickmeyer, who is married and is a son of Mr. and Mrs. L. F. Dickmeyer of Charleston, had worked for the Bryant line during the last five weeks.

6500 VISIT BENTON FOR NEIGHBOR DAY

A crowd estimated at 6500 attended the neighbor day celebration in Benton Thursday to witness games, contests, and the crowning of the queen, Miss Mary Lou Ford of Morley, to hear band concert music, political speeches and to dance or visit with old friends.

Speakers at the festival included former State Representative E. M. Munger of Chaffee; Judge Harry S. Truman of Independence; former State Senator R. L. Dearmont of Cape Girardeau; Secretary of State Dwight H. Brown of Jefferson City; and Orville Zimmerman of Kennett, Democratic candidate for congress from the tenth district. Dr. G. S. Cannon of Fomfelt presided at the program which included Democratic speakers, while George W. Kirk of Sikeston, Republican candidate for Scott county prosecuting attorney, introduced Judge John McAnally of Kennett, Republican candidate for congress. G. H. McCoy of Dexter, socialist candidate for state senator, also spoke.

The following awards were made:

Imitation cat meow—Won by Charles Hoppe.

Calf bawl—Won by R. S. Higgins.

Ugliest man—Won by Harry A. Smith.

Prettiest brunette—Won by Miss Norma Baty; second, Miss Pauline Scheeter.

Prettiest blonde—Won by Miss Ruth Sue Carr; second, Miss Cavada Lee Hebenstreit.

Prettiest red hair—Won by Miss Betty Jane Jenkins; second, Miss Marcella Gaither.

Prettiest gray hair—Won by Mrs. Belle Keen; second, Mrs. Verda Hatcher.

Baby (boy) under 2 years—won by Albert Lee Harris, Sikeston; (girl) under 2 years—won by Margaret L. James, Blodgett.

Youngest baby present—Doris Evelyn Wills, Commerce.

Automobile coming farthest to Neighbor Day—S. O. Finley, St. Louis.

Prettiest woman—Won by Dorothy Hamm; second, Mrs. Leo Urban.

Heaviest person—Won by Mrs. Scrack, Commerce, (291 pounds).

Tallest man—James C. Smith, Caledonia.

Tallest woman—Beatrice Bell, Commerce.

Shortest man—L. A. Wood, Perkins.

Shortest woman—Mrs. Phillip Blattel, New Hamburg.

Prettiest girl—Miss Lavada Lee Hebenstreit, Benton.

Man with largest family—C. A. Wood, Perkins.

Man with longest whiskers—James C. Smith, Caledonia.

Man walking farthest to Neighbor Day—Wm. Randall, Diehlstadt.

Man with balddest head—Frank Keffer, Anzell.

Girl with longest hair—Miss May Simmons, East Prairie.

Twins with closest resemblance—Baneda and Verneda Pobst.

Oldest man present—James C. Smith, Caledonia.

Oldest woman present—"Aunt" Jane Peebal, Blodgett.

Boy with most freckles—Charles LeGrand, Benton.

Chicken calling—Won by "Aunt" Jane Peel, Blodgett.

Cow calling—Won by Mrs. E. A. Carter, Oran.

Hog calling—Won by R. S. Higgins, Benton.

Husband calling—Won by Mrs. John A. Hitt, Sikeston.

Boys' cracker eating contest—Won by Charles Spradlin, Fomfelt.

Boys' milk drinking contest—Won by Louis LeTemp, Illinois.

Boys' pie eating contest—Won by Cletus Simmons, East Prairie.

Imported Bulbs To Be Planted in Park Soon

The allotment of 5000 bulbs, most of them tulips, which William F. Woehlecke, owner of the Sikeston Greenhouse, ordered from Holland last summer for planting in the American Legion park here late this month, have arrived and been sorted.

Many of the bulbs in the consignment, which includes five varieties of hyacinths, thirty-six of tulips, and several of crocus of mixed colors, are rare. Mr. Woehlecke will rearrange the park's flower beds and will label and plant the bulbs for exhibition purposes, so that in the spring when all of them are blooming flower lovers from throughout Southeast Missouri may come here to see the lavish display of color which they will present.

The bulbs, the varieties of which are printed below, were shipped here directly from a flower farm near Wassenaar, Holland, managed by the father of Theodore Grievens, a native Hollander who has devoted the last thirteen years to traveling in the United States and abroad in the interests of the farm. Final arrangements for the shipment were made during the early part of June when Mr. Grievens came here to visit Mr. Woehlecke.

HYACINTHS

Grand Maitre, fine large and broad spike, blue.

King of the Blues, rich dark blue.

La Victoire, deep crimson.

L'Innocence, large, white, well-shaped bells.

Marconie, deep rose pink.

SINGLE EARLY TULIPS

Ibis, large, bright pink flower.

DOUBLE EARLY TULIPS

Electra, splendid deep carmine.

Mr. van der Hoff, pure golden yellow, large flower.

Murillo, white, shading to delicate pink.

Peach Blossom, pink-white, deepening to rose.

DARWIN TULIPS

Edmee, vivid cherry-rose, soft old-rose.

President Taft, oxblood-red with dusky bloom.

Princess Elizabeth, deep pink changing to rose.

William Copland, lovely lilac.

William Fitt, carmine with purplish bloom and petals.

Barbington, fiery crimson with white base.

Clara Butt, clear pink, flushed salmon-rose.

Greuze, bluish purple.

Pride of Haarlem, rosy carmine, white base.

Rev. Ewbank, lavender-violet with lighter edges.

Victor d'Olivera, deep red.

Zulu, rich velvety purple-black.

Yellow Darwin, yellow.

Afterglow, bright orange, light-edged, bright center.

City of Haarlem, intense dark scarlet with blue base.

Faust, dark purple with white base.

Mme. Krelage, bright lilac-rose, margined paler.

BREEDER TULIPS

Abd el Kader, dark bronze with broad light edge.

Maria Louise, salmon edged orange.

Prince of Orange, deep orange red, golden orange margin.

Bronze Queen, soft buff, inside singed golden bronze.

Don Pedro, coffee color.

Louis XIV, dark purple, flushed bronze, margined brown.

Panorama, reddish mahogany.

Queen Alexandra, sulphur yellow.

COTTAGE TULIPS

Mrs. Moon, rich golden yellow.

Picotee, white, margined rose.

Avis Kennicot, chrome-yellow with black base.

Grenadier, orange red with yellow base.

John Ruskin, salmon-rose, edged soft lemon yellow.

PARROT TULIPS

Fantasia, bright pink.

CROCUS

Mixed colors.

DELEGATION TO MEET BENNETT CLARK TONITE

This (Tuesday) afternoon a delegation of Democratic leaders will go to Morley to meet United States Senator Bennett Champ Clark of St. Louis who will speak here at a Democratic rally which will be held tonight at the high school gymnasium. All persons who wish to join the delegation may call The Standard office to learn the time and place of starting.

TWO AWARDED OVERALLS AT SHAINBERG'S SATURDAY

John Applewhite of Sikeston was awarded a Lee overall for purchasing the largest number of Lee garments during Shainberg's special sale on Lee merchandise Saturday.

Mr. Applewhite, who bought ten garments, was also awarded an overall for appearing at the store with the largest family dressed in Lee products.

A. Owens of Dexter was presented the third Lee overall offered at Shainberg's sale for accurately determining the amount of thread used in a giant overall.

SIKESTON PHYSICIANS ON FEDERAL COURT DOCKET

Following the arrival of St. Louis court officials in Cape Girardeau on Sunday, Judge C. B. Faris was scheduled to open the October term of the Federal Court in Cape Girardeau Monday morning.

The total of 103 criminal cases set for the term will include hearings for 49 persons who were indicted week before last by a federal grand jury in St. Louis.

Among the cases tentatively set for early this week are those of Dr. Howard A. Dunaway on Tuesday and Drs. J. F. Waters and A. A. Mayfield on Wednesday, all practicing physicians in Sikeston who were arraigned last summer before a federal commissioner in Poplar Bluff on charges of violating the Harrison narcotic act.

Sparkling with laughter! Spangled with songs! The season's sensational new musical treat—Malone Theatre, Tuesday and Wednesday.

GRANTED DIVORCE

Mrs. Alice Glenn was granted a divorce from Earle Glenn in Common Pleas Court in Cape Girardeau Friday on the grounds that Mr. Glenn failed to provide a home for her. The Glens were married in New Madrid county on November 4, 1907, according to the plaintiff's petition.

CHEVROLET SPONSORS FOOTBALL BROADCASTS

DETROIT, Oct. 8.—Fifty-six of the most important college football games of the 1934 season will be covered play by play in a series of sectional broadcasts sponsored by the Chevrolet Motor Co., which announced the schedule here today. The broadcasts will continue through the season, having begun last Saturday, Oct. 6, with 24 stations broadcasting seven different games each Saturday. Sectional networks and powerful individual stations will combine to give full coverage in each district.

The novel plan of blanketing a large proportion of the United States with sectional broadcasts was adopted by Chevrolet in lieu of national broadcasts of single games in order to give listeners in each area the opportunity to follow the details of the one game in which they are especially interested. This is the first time that a national sponsor of sports broadcasts has provided for simultaneous reports of the most important contests in different regions.

To supplement the detailed description of each sectional game, there will be broadcasts during "time outs" and between periods of telegraphic bulletins covering other leading games of particular interest in the same section.

The most popular sports announcers on the staffs of the various networks and individual stations have been engaged to give play by play descriptions of the 57 selected games.

Games scheduled in the various sections include all those of the University of Michigan, both at home and abroad; all games of the University of Pennsylvania, with Yale, Navy, Lafayette, Columbia and Cornell among those scheduled; eight University of Chicago or Northwestern games to be played in Chicago or Evanston; nine University of Oklahoma games; nine games in the Southeastern area, following the University of Georgia or Georgia Tech; eight Southwestern games, featuring contests at home and abroad by the leading teams of Texas; and in the Northwestern area, six games of the University of Minnesota, at home and abroad.

The scheduled broadcasts of interest to Sikeston listeners, together with the stations carrying the reports, are as follows:

Station KYW, Chicago, Announcer, Jack Ryan.

Oct. 13, Michigan at Chicago.

Oct. 20, Indiana at Chicago.

Oct. 27, Ohio State at Northwestern.

Nov. 3, Wisconsin at Northwestern.

Nov. 10, Illinois at Northwestern.

Nov. 17, Notre Dame at Northwestern.

Nov. 24, Illinois at Chicago.

Stage Attraction at Malone Tuesday and Wednesday

Again H. Laffo brings to Sikeston the outstanding musical attraction of the year in his new offering "Footlight Personalities", which will make a personal stage appearance at the Malone Theatre for two days starting October 9th and the theatergoers are assured of one big treat.

The company is headed by (The Little Maestro) Lee Le Verne, and his music, a recognized Eastern orchestra of ten talented musicians. Le Verne knows all the tricks of getting music from his band with his baton as though it were a magic wand. Every act in the show is a feature, and every artist a "personality", and offer such well known stars as Sam De Kemel, America's foremost bugler, late feature of the Wever Bros. show, and he really gets hot music from a common Army bugle like a trumpet player gets from a three-valve trumpet.

Adra Cooper, Europe's sensational Girl In Gold, in the dance of "The Golden Goddess" is special.

Tudor Cameron, RKO and Orpheum circuits headline comedian, in "The Janitor."

The Redman Sisters, two very charming and graceful singers and dancers.

Lola Lamond, a clever vocalist that seems to know whether public likes in the art of "blue" songs.

Douglas Marshall is Master of Ceremonies, with a pleasing smile and a winning way he will see that you are well entertained.

Dazzling stage settings, gay music, hilarious comedy, gorgeous costumes, graceful dancing, a rhapsody of songs, in fact the entire production is far above the shows that have played here in the past few years.

Deer Season Opens Oct. 25 For Three Days

With the three-day open season on four-point buck deer just over the horizon sportsmen are making preparations for Missouri's principal big game hunt. The season will be open on October 25, 26 and 27. State game wardens and park keepers report many eligible deer on the principal ranges of the state, to be found in some twenty-five south Missouri counties.

Due to the fact that the kill last year was comparatively light on account of unfavorable weather conditions, hunters should meet with greater success this year than last, many point out. This is the fourth open season for deer in the state since 1925, when the state was closed because of a dwindled supply of venison.

The deer killed in Missouri during the three-day season last year numbered seventy. Last year sales of deer tags totaled 2,587, the largest in the history of the department. Deer were reported killed legally in about twenty counties.

To hunt deer in the state a resident hunter must have a \$2.50 state hunting license and a deer tag which sells for \$1.50 additional and may be obtained from county clerks and the State Game & Fish Department. Licensed non-resident hunters must pay a fee of \$50.

Corning Bank Robbed of \$7000 Saturday Morning

Four well-armed bandits who believed to be members of the "Bugs" gang entered the Corning Bank and Trust Company with its E. Vandover, Saturday morning, shot the vault, and fled westward in a tan coupe with \$7000.

Half of the money, \$3500, was tossed into a car in the form of new \$1 bills. The remaining \$4000 was in silver half dollars.

The bandits appeared at the bank Saturday morning at 10:30 a.m. and led by one of the men, who was wearing a dark suit and a hat, they entered the building.

After driving this machine six miles deep into the woods and hills south of Doniphan, they left it and set out on foot. Members of three posses formed to search the district were confident that the bandits would be unable to make rapid enough progress through the woods for escape.

An investigation by Butler county officers Saturday disclosed that the four had stopped at filling stations Friday night and were the best route to Corn-

Miss Hyacinth Sheppard Is Bride of A. Y. Scales

Miss Hyacinth Sheppard and A. Y. Scales were married in Cape Girardeau at 2 o'clock Sunday afternoon at the home of the Rev. W. A. Humphreys, a Methodist Episcopal minister, who performed the ceremony. Their only attendant was Mrs. Ruth Malone, a close friend of the bride.

Mrs. Scales is a daughter of Mrs. J. N. Sheppard. For the last sixteen years she has been employed at The Standard office as linotype operator.

Mr. Scales, who formerly lived in Bernie, was until four weeks ago a member of the staff at the Atlantic & Pacific store here. Since that time he has been relief manager at the company's store in Perryville, where he and Mrs. Scales went soon after their marriage and where they will live at least temporarily.

Reviews Negro Out-State Democratic Club Activity

W. G. Mosely, an employee in the workmen's compensation department at Jefferson City and president of the Out-State Negro Democratic club, spoke enthusiastically about the progress in the organization of negro Democrats when he stopped here Saturday during a week-end tour of Southeast Missouri.

Mosely came to Sikeston from Desoto, where he addressed members of a negro Democratic club Thursday night.

At Festus, he said, where a club was organized last July with twenty members, there are now fifty-two, forty-five of whom cast votes for Democratic candidates at the August primary election.

At Desoto, about 50 per cent of the negroes vote the Democratic ticket, and at Poplar Bluff, John Wesley started about twenty years ago with five or six negro Democrats, two-thirds of the negroes of the city and of Butler county support Democrats. In Sikeston, Charleston, and other parts of Southeast Missouri, the percentage of active negro Democrats is approximately 50, Mosely said.

In almost all communities in the central, north and southwestern parts of the state, as well, negroes have regularly organized into Democratic clubs. On April 13, after the Thomas Jefferson birthday celebration in Joplin, Mosely formed the first Democratic club ever organized in Jasper county, and later at Excelsior Springs, he perfected the first association ever active in that town.

"The club is interested in the educational phases of politics," Mosely said. "We feel that the negro should be intelligent about the propositions before us contained in the new deal because it

Boyett Runs Off, Wife Brings Him To Officers

Dick Boyett of Doniphan, alleged shop lifter, was in jail again Thursday night after a few hours freedom gained by his fleetness of foot.

Boyett was arrested Wednesday by chief of police Bob Davis, after he was caught stealing a leather jacket from Goldstein's store. Thursday morning about 11 o'clock, policeman Lou Moore took him out of the city jail and started with him for the county jail. As Moore started to unlock the patrol wagon Boyett, who used to be a star high school track man, lit out. Moore shot at him but the whizzing bullet only lent wings to his feet.

Late Thursday afternoon Mrs. Boyett, his wife, not knowing that her husband had escaped came to the city jail and asked to see him. She was told of his flight and Moore explained to her that the thing Boyett could do was to return and face the charges as otherwise he would be continually "on the dodge." Mrs. Boyett left and soon returned with her hubby in tow.

Boyett is now in the county jail facing charges of petty larceny.—Poplar Bluff Republic.

Semo Coal Dealers Re-elect T. C. Knight

T. C. Knight of Parma was re-elected president of the Southeast Missouri Coal Dealers' Association at a meeting of the organization which was held here Thursday night at the Marshall hotel.

Other officers chosen included X. O. Ray of Chaffee, who succeeded P. J. Stearns of Lilbourn as vice-president; and O. H. Gehrig of New Madrid, who was re-elected secretary-treasurer. Among men named to the association's board was N. E. Fuchs of Sikeston.

Before the end of the meeting, members present heard Sam Dalton of Columbia, relief coal distribution head for Missouri, and E. J. Wallace of St. Louis, a relief fuel distributor, explain state regulations governing the handling of relief coal, and discussed matters pertaining to the coal code.

THIRD OF FAMILY TO BE NAMED MADRID ASSESSOR

Mrs. John Moylan, officially appointed by Governor Guy B. Park to serve as New Madrid county assessor to fill the unexpired term of her husband, John Moylan, who died September 23, is the third member of her family to hold that office during a period of less than two years.

Her husband had been appointed by Governor Park to fill the unexpired term of his son, Will Moylan, who assumed office on January 1, 1933, and died the following July.

She played the man's game a woman's way—Malone Theatre, Thursday and Friday.

CRY OF BUMBLE BEE CAUSED FATAL LEAP

Heeding a cautioning cry of "bumble bee" as she was riding to Sikeston with negro cotton pickers late Friday afternoon, Mrs. George Williams, a negro resident of near Canolou, leaped from the fast moving car in which she sat.

The following morning she died of injuries which she sustained from her jump, and after her body was prepared for burial at the Dempster Undertaking establishment here it was sent to Poplar Bluff for funeral services.

Phone 2 or drop in for a guaranteed permanent, \$2.50 and up.—Tiny Beauty Salon.

Yearly subscription elsewhere in the United States \$2.50

Dwight Brown is responsible for this story. At the race track the starter was having a hard time to get the horses off to a fair break. A woman being excited felt a button or something give way and asked a man standing by for a safety pin. At that minute the horses left the post and the starter announced through the megaphone, "They're off!" and the woman fainted.

The ordinary man knows little of the Constitution, and cares less. What the hungry man wants for himself and family is an opportunity to work and provide for hungry bellies whether it is constitutional or not.

This is to say that the editor of The Standard has no intention of voting for, or supporting, any Republican candidate for any office at the coming election or future elections. At the same time this is purely political and not social, religious or personal, which should give us the right or privilege of saying the Republican candidate is a good citizen, a gentleman and qualified to hold office if elected. At this time we see no prospect of any Republican being elected in Scott County, but if he is, it will be no reason why we should abuse him for being a Republican and having been elected, as he has the same right and privilege of being a Republican in politics as we have being a Democrat.

A Republican meeting was scheduled for the Red Star addition in Cape Girardeau Tuesday evening with Tom Brown of Charleston scheduled to fire the heavy guns. The Republican committeeman of the precinct, a Democratic justice of the peace, and all the Republican county candidates were present. It is authentically reported that Mr. Brown refused to attempt to convert the Democrat, and as the committeeman and county candidates needed no conversion, tents were folded and the well known Arab custom followed.—Jackson Cash-Book.

JULIA C. HOLMES
Funeral services for Miss Julia Catherine Holmes, 62-years old, who died after suffering a heart attack at the home of her sister, Mrs. Aline Sinks in Poplar Bluff early last Tuesday morning, were conducted at the residence at 11 o'clock Thursday morning, the Rev. W. S. Smelser officiating. Burial was in the Woodlawn cemetery.

Besides Mrs. Sinks, Miss Holmes is survived by William Holmes of Sikeston, Charles Holmes of Charleston, and Mrs. Oma Sinks and Adolphus Sinks, both of St. Louis.

Personal News of Sikeston

By Mrs. C. M. Harris, Phone 581

Mrs. Prentice Crawford of Waco, Texas, spent a short while in Sikeston Saturday afternoon, September 29, visiting Mrs. Sarah Matthews and other friends. From Sikeston, Mrs. Crawford went to Piggott, Ark., and thence to her home in Waco. Mrs. Crawford and family were former residents of Sikeston, who owned and operated the Crawford Tourist Camp in the East part of the city. She reports Mr. Crawford to be in very poor health.

More modern than "Divorcee" more startling than "Strangers May Kiss" than "A Free Soul" more romantic than "Smilin' Through!"—Malone Theatre, Thursday and Friday.

Mrs. Claude O'Connor and daughter, Mary Lou, and Nickie Walker of Oran spent Wednesday here visiting Mrs. Minnie Decker.

She dared to live her life as she chose—Malone Theatre, Thursday and Friday.

Mrs. M. M. Beck entertained a number of friends Friday. A covered dish luncheon was served at noon.

Miss Lucille Mount of this city and Mr. and Mrs. Fowkes of Charleston went to St. Louis this week, to attend a meeting of the Grand Chapter of Eastern Stars. Miss Mount is Matron of the local Easter Star Chapter.

Mr. and Mrs. Ralph Anderson and children, and Mrs. C. J. Stevens and children were among those from Sikeston going to Malden, Wednesday night, to attend the Lions Club Fourth Annual Fall Festival. Betty Anderson and Martha Stevens appeared on program with dancers from Sikeston.

Darlingly glamorous...sparklingly sophisticated...Norma Shearer's most thrillingly smart role!—Malone Theatre, Thursday and Friday.

Mrs. S. E. Reed is visiting with her brother, H. I. Starck and Mrs. Starck at Santa Ynez, Calif. She will be away for one month.

Mrs. S. H. Pickel, who has been visiting here the past month with her daughter, Mrs. A. A. Harrison, left Sunday for her home at Louisville, Miss. Mr. and Mrs. Harrison accompanied Mrs. Pickel as far as Jackson, Tenn., on her return trip.

The Radio Club met last Monday night with Mrs. Bill Shain. Nine were present. After the business meeting, the evening was spent in playing Radio. Winners were: Mrs. Willard Bennett, first; Mrs. Charles Bethune, second; and Miss Evelyn Hitt, third. The next meeting of the Club will be held on October 15, with Mrs. Elmos Taylor.

Mrs. Jean Hirschberg and son, Jean, Jr., visited in Dexter, Wednesday with her mother, Mrs. D. E. Grojean.

In every woman's life there comes the urge that Lady Rexford dared obey!—Malone Theatre Thursday and Friday.

The Pageant Club of the Woman's Benefit Association, will hold a rummage sale Saturday, October 27. The regular meeting of the Club was held Thursday afternoon at the home of Mrs. C. C. Buchanan.

Mrs. P. J. Stearns and daughter, Betty Ann, Larue Campbell and Mrs. Charles Shelby of Lilbourn, visited here Wednesday with the former's mother, Mrs. J. B. Campbell and family. They were also in Cape Girardeau, where they visited with Mrs. Stearns' daughter, Miss Ruth, a student at the Teachers' College, and witnessed the parade of the Cape celebration.

Dr. Peter Heinbecker and Dr. Williams, both of Washington University in St. Louis and Miss Adelaide Tarrant, also of St. Louis, arrived Saturday to spend the week-end at the home of Dr. and Mrs. T. C. McClure.

Gideon and Cicero White, two classmates and Prof. Gillette, all of Fredericktown were six o'clock dinner guests Monday evening of last week of Mr. and Mrs. C. C. Cummins. The party went to Dexter Monday to attend a Southeast Missouri District Conference of the Future Farmers of America, an honorary Society to which vocational agriculture students are entitled to membership. Gideon White was elected president of the Southeast Missouri District. Mr. White won State honors last year in poultry judging at Columbia, while his brother, Cicero, won Southeast Missouri honors in grain judging of the Southeast Missouri District held at Cape Girardeau last year. The Messrs. White are sons of Mrs. Anna White, formerly Miss Anna Clark of Morley and nephews of Mrs. Cummins of this city.

Y. W. A. TO MEET WITH NEVA MAE TAYLOR TUES.

The regular social meeting of the Y. W. A. of the First Baptist church, will be held at the home of Miss Neva Mae Taylor Tuesday evening, October 9. Every member is cordially invited to be present.

BLACK-DRAUGHT

"Such a Good Laxative," Says Nurse
Writing from her home in Festus, Mo., Mrs. Anna LaPlante says: "I am a practical nurse and I recommend to some of my patients that they take Black-Draught, for it is such a good laxative. I took it for constipation, headache and a dull feeling that I had so much. A few doses of Black-Draught—and I felt just fine."
Because so many people know from having used it that Black-Draught is a good, purely vegetable laxative, millions of packages of it are sold every year.

EMIL STECK,
COLLECTOR SCOTT COUNTY.

Meet Capt. Mary

"America's Sweetheart" is Capt. Mary now. She was made an honorary captain of the World's Fair guides when she visited the exposition in Chicago. The Fair will close its gates forever midnight Oct. 31.

Thompson would be glad to have farmers get. If the growers still want their produce canned on shares, Mr. Thompson said, they may take it to Illmo, Vanduser, or the Chaffee, where the canning centers are still open.

The work of storing the county's supply of canned good continues. By Friday there were approximately 16,000 quarts of fruits and vegetables sorted and stacked at the kitchen on Center Street.

LILBURN FAIR WILL HAVE MANY EXHIBITS
A list of the kinds of exhibits

for which prizes will be given at a community fair to be held at Lilbourn Saturday, October 27, has been made public.

Farm products which may be shown include corn, wheat, cotton, oats, rye, soybeans, cowpeas, clover seed, sunflowers, alfalfa, popcorn, pumpkins, watermelons, sorghum, eggs, honey and soap.

Besides these, chickens, geese, ducks, turkeys, and pigeons, all well-known varieties of fruits and vegetables, bread, cakes, pies, cookies, and doughnuts, and examples of needlework may be displayed at the fair.

A DOUBLE WEDDING LAST THURSDAY NIGHT

Miss Clara Littles and Roscoe Bledsoe, and Miss Christine Sizemore and James Smart were united in marriage at 11 o'clock Thursday night, September 27, at a double wedding ceremony performed by Elder John B. Huffman of this city.

Mr. and Mrs. Smart are well-known in this city, having lived

here for several years. The bride being the daughter of Mr. and Mrs. Harvey Sizemore, and an employee at the International Shoe Factory here. Mr. Smart is a singer and musician.

WOMAN'S CLUB TO MEET TUESDAY AFTERNOON

The regular meeting of the Woman's Club will be held at the home of Mrs. J. N. Massengill on Tuesday afternoon at 2:30 o'clock. All members of the Club urged to be present.

NERVOUS PEOPLE

If you have that irritating nervous disposition, feel weak with nervous spells, and cannot rest well at night, take ADAMS' NERVTON. It tones up your entire nervous system.

Get Rid of Malaria.

Banish Chills and Fever

To conquer Malaria, you must do things. (1) Destroy the infection in blood. (2) Build up the blood to overcome the effects and to fortify against further attack. There is one medicine that does these two things and that is Grove's Tasteless Chill Tonic! The tasteless tonic in Grove's Tasteless Chill Tonic destroys the malarial infection in the blood while the iron builds up the blood. Thousands of people have conquered Malaria with the aid of Grove's Tasteless Tonic. In addition to being a noted remedy for Malaria, it is also an excellent tonic of general use. Grove's Tasteless Chill Tonic is pleasant to take and contains nothing harmful. Even children can take it safely. Sold by all stores. Now two sizes—\$1. The \$1 size contains 2 1/2 times as much as the 50c size and gives you more for your money.

FOR THE FIRST TIME WE OFFER

TALON

TAILORED TROUSERS

We make our boast that we're quick to present the newest, sanest fashions in men's clothing, and that is what we offer in TALON TAILORED TROUSERS. They are such an improvement over the old-type buttoned trouser front that we hardly feel the necessity for going into details.

But here are a few: It's a special small Talon fastener that closes in a neat seam...flexible, invisible, convenient...a tailoring refinement that eliminates embarrassing situations. Talon is not harmed by dry cleaning or pressing.

We'd like to show it to you in our new spring clothes...even though you may not be in a buying mood right now, don't miss seeing this feature.

MRS. FLORENCE GRISHAM
HEADS ROYAL NEIGHBORS

Mrs. Florence Grisham of Charleston was elected district president of the Royal Neighbors at the afternoon session of delegates to the district convention of the lodge which was held at 2:30 o'clock in the I. O. O. F. Hall here.

The following officers were also elected: Vice-president, Mrs. Almo Bowers of Cape Girardeau; chancellor, Mrs. Lizzie Aslyn of Bloomfield; recording secretary, Mrs. Olga Suchman of Sikeston; Mrs. Vivian Gardner, retiring district president, automatically became a past president of the organization.

The afternoon meeting, at which delegates from Royal Neighbor camps in Scott, Mississippi, Cape Girardeau, and Stoddard counties were present, was called to order by Mrs. Ida S. Turley of Cape Girardeau, formerly of Steele, who is district deputy. After Mrs. Sophie Edmondson of Sikeston had presented the flag, "America" had been sung, the 1934 officers had been introduced and seated, and a prayer had been given by Mrs. Mary Pickens of Cape Girardeau, district chancellor, J. A. O'Hara of Sikeston welcomed delegates.

Mrs. Lou Ella Curry of Chillicothe, State supervisor of the lodge, then replied to the welcoming address, and the meeting was formally opened by members of the Sikeston camp. During the reading of reports from all district camps, delegates learned that membership in both the adult and the juvenile branches had increased this year, with the exception of one camp, and that the national Royal Neighbor lodge is in a more secure condition now than ever before.

The afternoon meeting was closed for adjournment to Sheppard's Cafe for dinner after the election of officers and after Mrs. Curry conducted a school of instruction and question box about various matters concerning the camps of the district.

At the evening session, members of the Sikeston camp conducted a memorial service for Royal Neighbor members who have died during the last year: Ruth Connors of Chaffee, Susie Ruple of Oran, Sam Pazzett of Charleston, and Emma Shuffeldader of Vanduser.

Other features of the meeting were a period of entertainment, the class adoption and retiring and incoming march conducted by the Cape Girardeau camp, an address by Mrs. Curry, and a vocal solo by Mrs. Ella Winons of Kansas City.

The next annual district convention will be held at Charleston in October, 1935.

Visitors at this conference were Mrs. H. M. Holmes and her daughter, Evelyn, of Alton, Ill.; Mrs. Winons and her son, Uhl Winons of Kansas City; Mrs. Lou Ella Curry of Chillicothe, and Mrs. Ida S. Turley of Cape Girardeau.

Others present at the sessions included Mrs. Mabel Bradberry, Mrs. Florence Grisham, and Mrs. Minnie May, all of Charleston; Mrs. Elsie Barger, Mrs. Mauda Beeding, Mrs. Lillie German, Mrs. Lelah Miller, Mrs. Ollie Wilson, Ted Wilson and Mrs. Letha Huckleby, all of Steele; and Mrs. O. O. Bowers, Mrs. E. E. Brown, Mrs. J. M. Smith, Mrs. E. M. Pickens, Mrs. H. L. Pickens, Mrs. William Schneider, Mrs. Ed Mayer, Mrs. Roy Morgan, Mrs. George Steele,

Children Like Their "Private Fair"

Millions of children have found the Enchanted Island, with its forty new features, even more fun this year than last at the World's Fair in Chicago. Shown here is a section of the island's Adventure Land. Low travel rates and well-marked highways make Fair travel easy this year.

Mrs. P. J. Greer, Mrs. Harry Herrell, Mrs. Nell Cronow, Mrs. H. L. Stanley, Mrs. Eunice Childress, Mrs. Frank Preston and Mrs. A. D. Wilson, all of Cape Girardeau.

RIPLEY FARMERS VOTE
FOR CORN-HOG PROGRAM

In four Ripley county townships, farmers voted 100 per cent to continue the government's corn-hog program in 1935, and in all other townships in which the vote had been recorded farmers approved the program, according to F. B. Veatch, County Agent.

SERVICES FOR ACCIDENT
VICTIM HELD AT ANNISTON

Funeral services for Charles Coleman, 22-year-old University of Missouri student who was burned to death in a car accident ten miles east of Columbia Sunday night, were held at Anniston at 10 o'clock Thursday morning. Many of his Kappa Sigma fraternity brothers went to Anniston to attend the rites.

Coleman died after a tire, which blew out, caused the machine in which he was riding to turn over on Highway 40 and burst into flames. The driver of the car, which was Columbia-bound after a week-end in St. Louis, was able to rescue two women companions, but the fire immediately became so intense

CLARK TO SPEAK AT HIGH
SCHOOL GYM AT 8 TONIGHT

Senator Bennett Champ Clark will speak here at the high school gymnasium at 8 o'clock tonight (Tuesday) at a Democratic rally which residents of all Southeast Missouri are expected to attend.

The speech will be Senator Clark's first official utterance in behalf of Judge Harry S. Truman and other candidates on the Democratic ticket since shortly after the August primary election, in which Jacob L. Milligan of Richmond, whom he supported for the Democratic nomination for United States Senator, was defeated by Truman.

Senator Clark has had a notable and enviable military and legislative career. At the first of officers' training camp at Fort Myer, Va., which he attended in 1917, he received a commission as captain. Then he was elected lieutenant-colonel of the sixth regiment of the Missouri infantry, later the 140th regiment of the United States infantry, serving in that position until September, 1918. For nine months he acted as assistant chief of staff of the 88th division and then of the 35th division. Before his discharge in May, 1919, Senator Clark was

promoted to the rank of colonel of infantry.

He was an incorporator and one of the seventeen charter members of the American Legion and served as chairman of the Paris caucus, which formally perfected that organization. He has served as national commander of the American Legion, commander of the 35th division of the veterans' association, and president of the National Guard Association of the United States.

The eminent son of a famous father, Senator Clark entered politics before his graduation with an LL. B. degree from George Washington University in 1914, which followed graduation from the public schools at Bowling Green, Mo., where he was born, Eastern high school in Washington, and the University of Missouri; for he has attended every Democratic National Convention since 1900, when he was 10 years old.

When he was only 23 years old, Senator Clark began serving as parliamentarian of the United States House of Representatives, a position which he held four years. In 1916 he was parliamentarian of the Democratic National Convention, and in 1928, a delegate at large and a member of the resolutions and platform committee of the national convention held in Houston, Texas. During the same year he was vice-chairman of the Democratic regional headquarters in St. Louis, where he began to practice law after his discharge from the army.

He was elected to the United States Senate on November 8, 1932, for a six-year term commencing March 4, 1933, but was subsequently appointed to the Senate on February 3, 1933, by Governor Guy B. Park, to fill the unexpired term caused by the resignation of Harry B. Hawes. In addition to his active work in the nation's legislative houses, he has written a highly praised biography of John Quincy Adams.

Senator Clark is a member of the Second Presbyterian church of St. Louis, of the Masonic and Odd Fellow lodges, of the Missouri Athletic Club, and of the St. Louis and the American Bar Associations.

FORTY-SEVEN ATTEND LIFE
AGENTS' MEETING IN CAPE

Forty-seven life insurance agents of Southeast Missouri heard R. Emmett O'Malley, superintendent of insurance in Missouri state that his aim is "to protect the policyholder, and elevate the underwriters' profession by driving out companies undesirable in management who do not regard the

trusteeship of life insurance highly enough, and force out investors and underwriters who are undesirable," when they convened at the Colonial Tavern near Cape Girardeau Wednesday afternoon for a luncheon meeting of the district life underwriters' association.

Agents attending the session were from Bertrand, Charleston, Kennett, Poplar Bluff, Oak Ridge, Sikeston, Cape Girardeau and Caruthersville.

In addition to Mr. O'Malley, guests at the session included Louis Throgmorton of Shreveport, La., who talked on "Prospecting," and C. W. Breidecker and W. S. Bryan, both of St. Louis. C. Lyle Malone, president of the organization, presided, and Dr. J. H. Ruff sang a solo and led group singing.

The float entered in the Cape Girardeau anniversary parade by the life underwriters' association showed children, a widow and child, and old people, all of whom were dependent upon the returns from money invested in insurance.

Women will applaud her courage!—Malone Theatre, Thursday and Friday.

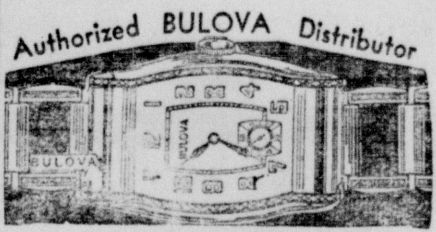

WALLACE STORE
BEING ENLARGED

The work of removing the brick partition which has divided the J. S. Wallace store from the Andres' Meat Market was begun early Thursday morning preparatory to the incorporation in the dry goods store of the space which until recently was occupied by the market.

Mr. Wallace plans to place the shelving which now holds his stock of shoes and is situated on the wall that is being removed on the extreme north wall of his new quarters. The increased floor space representing an amount twice as large as he now has, will enable him to have less crowded quarters and to keep in stock a larger supply of merchandise.

The remodeling work, which will include the construction of a partition in the front of the addi-

SIKESTON, MO.

BULLDOGS WIN 19-6

A hard fighting and unified Bulldog team trounced the Charleston Bluejays 19 to 6 here Friday night before a crowd which filled both bleachers and lined the field. The game was featured by sensationally long runs by Billy Bob Donnell and long passes, some of them incompletes, by Rushing, a sophomore with much promise.

With a bad start, Sikeston allowed Charleston to carry the ball for a 25-yard gain immediately after the first kick-off. By a series of long and short plunges, made possible by the use of intricate reverse and cutback pass plays and by the fact that it was difficult to distinguish the carrier of the white ball because of its ability to blend with the white on Charleston men's sweaters, the Bluejays, mostly by the efforts of Hardwick, Bynum, and Reeves, soon took the pigskin over the

line for a touchdown. A pass failed to net an extra point.

Receiving Charleston's kick-off on the Sikeston 8-yard line, Bennett returned the ball for a 10-yard gain. Then Moore Greer's punt was recovered by Paul Jones on the 50-yard line. A second punt by Greer was recovered by Hardwick of Charleston. The quarter ended after Donnell had snatched a Charleston punt and returned the ball to the Bluejay's 40-yard line.

Sikeston's first touchdown was made near the end of the second quarter after a Sikeston punt had been recovered by Bynum for the Bluejay eleven. Charleston lost the ball on downs, Donnell ran for a 15-yard gain, Hessling plunged 5 yards, Bennett was taken for an 8-yard loss, a Sikeston punt was recovered by Hardwick and a Charleston punt recovered by Donnell, who rushed through the Charleston defense for a 20-yard gain.

Rushing's pass to Robinson then netted Sikeston 24 additional yards, and a touchdown after Donnell made three short gains, to place the ball on the Charleston 5-yard line at the first down.

Donnell again carried the ball a yard and a half, and then rushed the remaining distance to place it over the line. His pass to Hessling was completed to make the score 7 to 6.

The third quarter was scoreless, Donnell, Greer and Rushing again making short gains before Sikeston lost the ball on downs. The Bluejay's Bynum then made a 25-yard run, but Charleston lost the ball after a punt which was recovered by Donnell on the Sikeston 30-yard line and then taken 25 yards by Greer. After two small gains, Rushing passed the ball being intercepted by Hardwick on the Charleston 10-yard line. A Bluejay punt was then recovered by Donnell, who ran to the Charleston 41-yard line.

After a loss of seven yards and only negligible gains, Sikeston made a punt at the beginning of the last quarter which was almost recovered by Charleston's Mehler, but was taken by Paul Jones on Charleston's 5-yard line. Donnell then ran over the line for a touchdown. A pass for an extra point was forfeited.

After the kickoff Hardwick returned the ball for a 20-yard gain, but Robinson soon recovered a Bluejay fumble and Donnell made a 7-yard gain for a first down. Sikeston's third touchdown followed soon afterward, when Rushing's pass of 40 yards to Jones was completed and Jones ran over the line. A kick failed to give Sikeston an additional point.

During the rest of the quarter, both teams played only ordinary football, making small gains or losing the ball on downs. Sikeston was penalized 5 yards twice for being off side.

After the beginning of the first quarter, when Charleston confused the Bulldogs and scored, Sikeston's defense was greatly improved and its offensive creditable, combining with Charleston's lack of proper defense to make possible the frequent long runs.

Dexter, Sikeston's next opponent, whom the Bulldogs will meet at their first game away from home Friday, defeated the Caruthersville eleven by a score of 21 to 0 Friday. On the same day, Piggott, Ark., downed Poplar Bluff 13 to 6.

The following summary of the game was compiled by Bob Nicholson:

Scrimmage, Sikeston 107 yards, Charleston 133 yards; punts, Sikeston 258 yards, averaging 32 yards, Charleston, 232 yards, averaging 33 yards.

Passes, Sikeston 11 for 78 yards, 6 incomplete, 1 intercepted; Charleston 12 for 13 yards, 9 incomplete, 1 intercepted.

Penalties, Sikeston twice for 10 yards, Charleston once for 5 yards.

First downs, Sikeston 10, Charleston 9.

The starting lineup:

Sikeston	Position	Charleston
Jones	le	Hay
Conrad	lt	Roberts
Felker	lg	E. Stricker
Beal	c	Shortz
Dover	rg	Sisk
Alliston	rt	Mehler
Robinson	re	Bush
Hessling	qb	Hardwick
Greer	lhb	Bynum
Bennett	rhb	Reeves
Donnell	fb	Wallace

Substitutions: Sikeston: Rushing for Bennett, Grant for Alliston, Wilson for Greer. Charleston: E. DeField for Shortz, Babb for Reeves, Wood for Roberts, Small for Bush, E. Stricker for DeField, Putnam for Sisk, Hequembourg for Mehler, Oliver for Wood.

DR. CARL AGEE TO TALK AT CHRISTIAN CHURCH ON SUNDAY

Dr. Carl Agee, dean of the Bible College at Columbia, will preach at the morning services at the Christian church here next Sunday, October 14, according to the Rev. R. M. Talbert, pastor of the church.

After the services, which will begin at 10:45 o'clock, Dr. Agee and members of the congregation will go to East Prairie for a basket dinner and a convention.

James V. Conran Discusses Bankhead Bill

COMPARISON MADE WITH WHAT FARMERS RECEIVED UNDER HOOVER AND UNDER ROOSEVELT ADMINISTRATION. COTTON FARMERS GAIN 133 PER CENT ON NON-CONTRACT LAND

Prosecuting Attorney Jas. V. Conran, in his speech delivered at the Democratic Rally held at the Court House in New Madrid Monday night, took up and discussed the Bankhead Bill as it affects the cotton farmers in Missouri, especially in regard to how the share-cropper fares under the bill. Comparison is made with the year 1932, the last year of the Hoover administration, as against the Roosevelt administration in 1934. Following are the facts and figures as given by Mr. Conran, together with his comments on the final analysis of the figures.

The following figures are based on the completed allotments as fixed by the local and County Committees after placing the Contract signer and the non-signer on the same basis as to base acreage and base yield.

Republican	Democratic
Hoover Cotton at the Best	Roosevelt Cotton at the Worst
500 lb bale @ .06c	500 lb bale @ 13c
Cost of ginning above the rebate on seed	Rebate on seed over cost of ginning
\$30.00	\$65.00
\$3.00	7.50
Gross from bale	Gross from bale
Share-cropper's 1/2	Share-cropper's 1/2
\$27.00	\$72.50
\$13.50	Less payment of full tax
It took 1700 pounds of seed cotton to make the 500 lb bale of lint and picking cost 50c per hundred	28.35
\$ 8.50	Sub-gross from bale
Net to cropper, not counting bagging, ties, hauling, etc., per bale	\$44.15
\$ 5.00	\$22.07

Democratic Roosevelt Cotton

Now take the share-cropper if he is on reduction contract land he will be allowed to sell practically all his cotton free of tax, which is Democratic-Roosevelt Cotton at the best, as follows:

500 lb bale @ 13c	\$65.00
Rebate on seed over cost of ginning	7.50
Gross from bale	\$72.50
Share-cropper's 1/2	36.25
Less cost of picking	17.00
Net to share-cropper	\$19.25
1/2 Parity payment @ 1c lb	2.50
Per bale net to cropper	\$21.75

Now say he has ten acres in cotton, and under the contract he is allowed a base allotment of 325 pounds lint to the acre, for which he receives exemption certificates. But he produces 500 pounds to the acre; then we find the following:

10 acres multiplied by 325 pounds equals 3250 pounds tax free. 3250 pounds divided by 500 equals 6 1/2 bales.
10 acres multiplied by 175 pounds equals 1750 pounds on which tax is

to be paid. 1750 pounds divided by 500 equals 3 1/2 bales.
He nets \$21.75 on 6 1/2 bales, on which he pays no tax, equals \$141.37
He nets \$9.24 on 3 1/2 bales on which he pays the tax, equals \$23.34

Total net to this share-cropper on 10 acres \$173.71
(Net increase nearly 4 times)

Under the Republicans and Hoover he made \$5.00 per acre, which, multiplied by 10 equals \$ 40.00

Total gain under the Democrats and Roosevelt \$123.71

Now, for example, take the share cropper who has 10 acres of cotton, and who is on land not under a reduction contract. Say he produces 500 pounds of lint cotton or a bale to the acre, then we find as follows:

He is given exemption certificates for 62% of his crop on a base of 325 pounds on 6.20 acres free of tax, which amounts to 4.03 bales tax free. He pays the tax on 3.80 acres, 500 pounds to the acre, which amounts to 3.80 bales. Then he produces an excess of 175 pounds on 6.20 acres upon which he must pay the tax, which amounts to 2.17 bales. This gives him 5.97 bales upon which tax must be paid. Therefore, we find this share-cropper in the following condition:

4.03 bales, free of tax, @ \$19.25 net \$ 77.57
5.97 bales, on which he pays the tax, @ \$9.24 net 55.16

Total net to the share-cropper \$132.73
(net increase nearly three times)

Total to same share-cropper under Republicans and Hoover \$ 50.00

Total gain under the Democrats and Roosevelt \$ 82.73

These actual figures show that the share-cropper on land covered by a reduction contract is now nearly four times better off than he was under the Republicans, just two years ago.

The cropper on land not under contract is nearly three times better off; because he now receives, with tax paid, net to him the sum of \$132.73 on 10 acres, whereas two years ago he received only \$50.00 on the same ground for the same amount of cotton. The net gain, or increase, to this man is practically 133%.

Some complainers say that he is no better off than before because his cost of living has increased 50%. To show how absurd this argument is, let us grant that the cost of living has increased 50%—yet he now receives 133% more for his crop after paying the tax which leaves him a net gain of 83% over his old income after adding to 50% increase in cost of living. Then, on top of that, he now receives \$1.00 per hundred for picking his present crop, whereas under the Republicans he received from 25 cents to 50 cents; this gives him an increase now of at least 100%, and, if it costs him 50% more to live, he still, above it all, on this score alone, has 50% more coin to jingle in his pockets.

When our Republican Brethren, or anybody else, tell the cotton farmer of Missouri that he is no better off than he was, then he either deliberately misquotes the facts or is honestly ignorant of the facts.

The illustrations given above, of course, will not fit each individual case, because the acres planted and the cotton produced will vary, but the percentage of increase will remain the same in each instance.

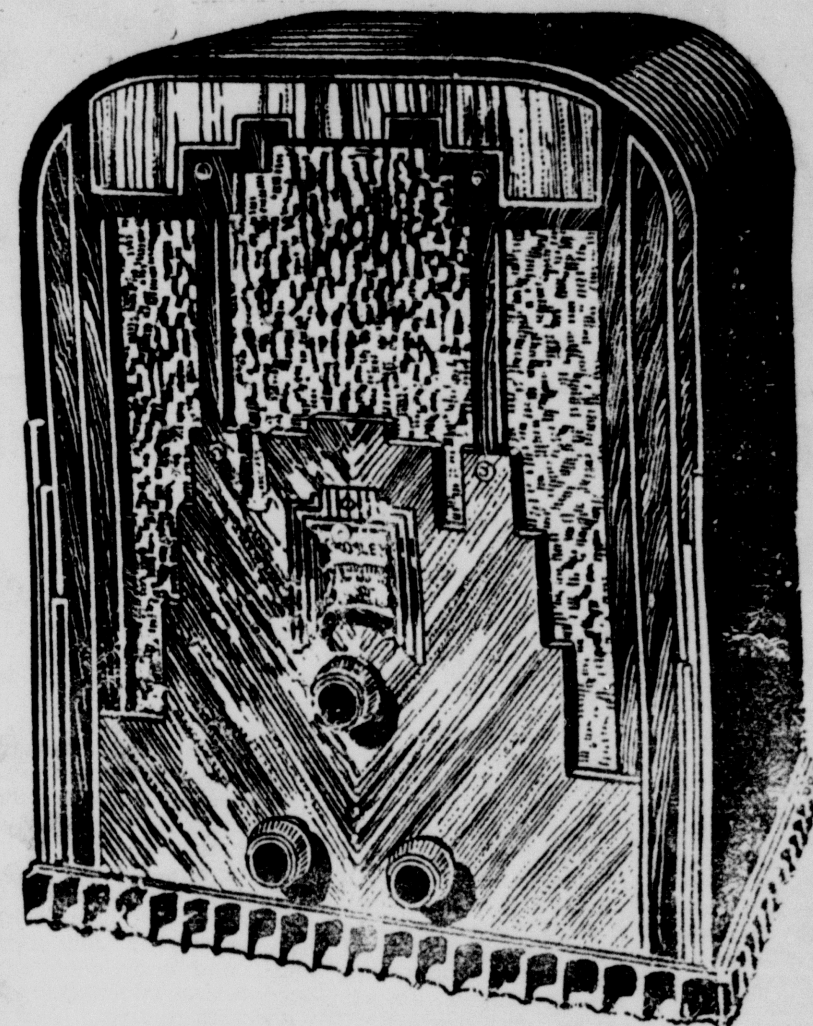

The same increase applies as well to the tenant-farmer and the landlord as it does to the share-cropper, according to his interest in the crop, and so we find that all cotton farmers in Missouri, even though they pay the tax on cotton, are and will be at least 133% better off in the matter of money received than they were proportionally, two years ago, under the Republicans and Herbert Hoover.

So the voters of Missouri have their choice. If they choose to return to an unsympathetic party, which fosters the principals of Herbert Hoover and still looks to him as its leader, then they should vote the Republican ticket.

If, on the other hand, they would keep in power a sympathetic party with that peerless leader, Franklin Delano Roosevelt, at its head, the man who has done so much for us in less than two short years, they should vote for and support the men who will work for and support the program of this great man toward National Recovery, and those men are found only on the Democratic Ticket.—New Madrid Record, Sept. 2th, 1934.

We wish to announce that we are the only authorized agents for the

FIRE PREVENTION

WEEK

Fire Prevention Week Comes Again

Fire Prevention Week is being observed again. The week, which has become a national custom, has been formally initiated by proclamations by the President, governors of states, Mayor Presnell and other prominent persons in public and private life.

During the week every citizen has a splendid opportunity to learn the fundamentals of fire prevention and control. Through speeches, newspaper and magazine articles, exhibits and other means, an intensive effort is being made to enlist the citizen's interest. He can blame no one but himself if he fails to learn.

Fire prevention is a civic duty which every citizen owes to himself and to every other person. We all pay for fire—we pay for it in lost business, destroyed jobs, higher taxes and insurance rates. On the average, each family contributes \$4 a year as a tribute to Moloch—dollars which are destroyed as surely as if we tossed them into a stove. Worse still, three people—two adults and a child—out of each 39,000 of our population, are sacrificed to the pagan god—because we are ignorant and careless when it comes to fire.

In the past, it has often been the experience that fire losses dropped during the week and for a short period thereafter, only to rise again as the public gradually forgot the information gleaned. This year we should observe this special week and devote a little time during it to really learning the fundamentals of fire prevention, then remember and practice them in the future.

Truman Speaks Neighbor Day

Benton, October 4.—Before thousands of persons meeting here today at the Neighbor Day celebration, Judge Harry S. Truman of Independence, Democratic candidate for United States Senator,

extolled the farm relief policies of President Roosevelt. The benefits which had been given the farmer, he said, were reflected over the entire Middle West, where business conditions, he declared, were better than in the industrial East.

"The reason for this condition," he asserted, "is that the farm processing taxes, the corn-hog program and the general easement of debt conditions on the farm have

brought about a situation of uniform betterment among all the people of the farm communities.

"This is in contrast with the processing taxes given the manufacturer in the way of a tariff. The manufacturer is the only one who benefits. He sticks almost the entire sum derived from his processing taxes in his own pocket. In spite of the fact that this tariff is now almost double the average tax under the former Fordner-McCumber tariff bill, the industrial regions still have their underpaid millions."

This condition persists, he said, in spite of the fact that industrial conditions are nearer normal than the situation in any other line of American effort.

"It is true that the income of the American farm this year, according to reliable estimates, will be nearly one billion dollars more than in 1933," he said. "But farm income is still totally inadequate to make farming a profitable calling. Until it is made so, the one-quarter of our people living on the farm and the 15 per cent of others dependent on farm success to achieve prosperity, will constitute a permanent national peril."

"It should be the proper concern of every member of congress to make farming pay. For fifty years, this nation has been a unit in an effort to make industry profitable. Its people have sacrificed much to aid industry. Yet the leaders of industry, instead of far-sighted view of aiding themselves by providing customers in farm districts, are crying out against farm processing taxes."

"Their position is so absurd as to be ridiculous, if it were not so pathetic. The factory is yoked with the farm in the effort to pull the nation out of the depression. Neither can lie back on the tractors or refuse in any way to pull its share of the load. It will take, instead, the best effort of each to carry us along to prosperity."

Truman said that he had read that some persons had declared that the recent drought was a visitation on us because of the fact that an effort had been made to cut down farm production. Yet, he asserted, it is the most common practice in industry to cut down production at the first sign of overproduction. Factories still stand and have no visitations, he said.

"I would far rather believe if there has been a Divine Hand in the affairs of this nation in the last year and a half," he continued, "that God raised up Roosevelt and put in his mind a year before there was need of it, all of the measures of the New Deal, which protected the farmer, the worker and many of the millions who have suffered so long and acutely because of national Republican mismanagement of our federal affairs."

"It seems like Divine interpro-

position that the reckless and misguided government which we had and through which we were rapidly drifting onto the rocks of violence, was displaced and that a new regime, filled with concern for all our people, took a hand in its government."

There was no need of President Roosevelt recapitulating in his radio address Sunday night, the great and beneficial results of the New Deal, Truman said. These could be evidenced by the hope in the minds and hearts of the people; by the feeling of security millions have that come what may they shall not starve by increased employment and assurance that the best efforts of the national administration will be exerted for common welfare rather than for the enrichment of a few.

His ten years of experience on the farm Truman declared taught him the need of making farming profitable if this nation is to endure. There is no question longer, he said, that this nation can succeed by using all its efforts on behalf of business and ignoring an industry in which there are more employed, as well as more capital used, such as the farm is.

Mr. Truman spent Wednesday night here at the Del Rey hotel. After visiting with Siketon Democratic leaders Thursday morning he was the guest of C. L. Blanton, Sr., at a luncheon at the Marshall Hotel.

Among the other fifteen guests at the luncheon were Matt S. Murray, Superintendent of Public Works at Kansas City, and State

Senator J. H. McDowell of Charleston.

She married a title at the cost of her freedom!—Malone Theatre, Thursday and Friday.

COMMERCIAL FAILURES DROP TO 1920 LEVEL

NEW YORK.—Business failures in September have been at the minimum for any month this year or for a great many years. The number in the United States for the latest week, which ended on Thursday, September 20, as shown by the records of Dun & Bradstreet, Inc., was 182. This compared with 199 and 174, respectively for the two preceding weeks; the latter week, that of the short week of September 6, covering the Labor Day holiday. For the week of September 21, 1933, there were 259 similar defaults. In no full week since September 1920 have there been so few failures reported in a single week.

SIKESTON, MO.

A PROCLAMATION

By the Mayor of the City of Sikeston, Missouri

WHEREAS, the week of October 7th to 13th has been designated as NATIONAL FIRE PREVENTION WEEK by proclamations of the President of the United States, and of the Governor of the State of Missouri, a time for all persons to direct their attention to the savage destruction of human life and the appalling waste of wealth and property by fire, and

WHEREAS, this destruction of life and property by fire occurs daily and is a serious drain on our national life, and the larger part of this fire waste could be avoided through carefulness and by fire protection and fire prevention,

THEREFORE I, G. W. H. Presnell, Mayor of the City of Sikeston, by authority in me vested, do hereby proclaim the week of October 7th to 13th as Fire Prevention Week in this community. To each citizen I recommend an earnest and active interest in the occasion so that a better understanding of each individual's responsibility for fires may be secured. All civic organizations, business associations, school authorities, women's clubs, and all others interested in public and private welfare, should assist in furthering this important observance.

Given under my hand and the seal of the City of Sikeston, this 3rd day of October in the year of our Lord one thousand nine hundred and thirty-four.

G. W. H. PRESNELL, Mayor.

ATTEST:
A. C. BARRETT, City Clerk.

50 COUNTIES FAVOR CORN-HOG PROGRAM

COLUMBIA, Oct. 5.—Returns from 51 counties, with about a dozen complete or nearly complete, give 7743 votes for 3709 against continuation in 1935 of the AAA corn-hog reduction program, according to J. W. Burch, State Corn-Hog Administrator in charge of the Missouri AAA poll.

On the second question voted on—whether a one-contract-per-farm system, including all grains and livestock, should be adopted for 1936—the vote for the same area was 5376 yes and 3768 no. Non-signers of AAA contracts, although eligible to vote, were taking small part in the poll. Non-signer votes thus far tabulated showed 242 yes and 421 no on question one and 219 yes and 396 no on question two.

Cass County, where corn-hog producers turned down the AAA program on the second question by 573 to 465, and voted favorably on question one by a margin of but 545 to 525, was the most unfavorable report received yet. Counteracting such votes, however, were those of counties like Buchanan, which voted 292 yes on question No. one to 72 no, and affirmative on question two, 267 to 72, or Shelby county, which favored retention of the AAA plan by a margin of 467 to 96 on question one.

Returns received thus far Burch announced, indicate that not more than about 40 per cent of the 110,000 Missouri AAA corn-hog signers will vote in the referendum and only a scattering of non-signers. Burch expressed disappointment over the light vote, pointing out that it might result in an inaccurate portrayal of Missouri farm sentiment on the AAA. On the basis of the vote thus far, Burch predicted the final result will be a decision of about 2 1/3 to 1 in favor of continuation of the AAA plan in Missouri.

Burch also announced today that under the 1934 corn-hog program, 113 of Missouri's 114 counties have received to date all or a major portion of their first benefit installments, amounting to \$9,712,589. Payments within the next two weeks will show the total above \$10,000,000.—St. Louis Post-Dispatch.

JUDGE FRANK KELLY FOR CIRCUIT JUDGE

We hear some Republicans say that some Democrats in this county will support Steve Barton for circuit judge of this district, but we personally know of none. In our opinion it is merely campaign propaganda which will fail in its purpose.

This paper would like to know of just one reason why any Demo-

crat should vote for Steve Barton. He has been practicing law in this district for a good many years, but so far as we are informed, he has not risen to any great heights in his profession and from our information he is just a plain, ordinary, country lawyer, who has never been tried in a judicial position of importance.

We do know this, that in 1932, he made some of the rankest Republican speeches that were made in this county. At Gordonville he appealed to the prejudices of the mothers whose sons he said Woodrow Wilson and the Democrats used as gun fodder. He has been lambasting Democrats and their party since he has been able to climb on a stump, and just what there is about him to attract a Democrat is more than the Cash-Book is able to discern.

Judge Frank Kelly, the Democratic nominee, has been circuit judge in this district for a number of years. He has been tested and tried. There has never come to this office any report or charge of the slightest character as to his unfairness or dishonesty. He may have made honest mistakes, but none which were influenced by prejudice or hope of reward. The positions of judges of our courts should not be permitted to become political rewards. We must have judges who are capable, clean and honest, and this paper is sure that Judge Kelly fills the bill. We do not believe that any good Democrat will support Steve Barton.—Jackson Cash-Book.

He wouldn't take "no" for an answer—not from a customer and not from the girl he loved. The result is the largest order of music, laughter, talent and tunes you ever saw on the screen.—Malone Theatre, Tuesday and Wednesday.

LEVEE PROJECT NEAR CAPE TO BEGIN SOON

The Forcum-James Co., contractor for rebuilding a section of Little River Drainage District setback levee east of Highway 61 south of Cape Girardeau, is getting equipment there and soon will start construction activities.

Heavy machines are to be shipped by rail to Nash, then moved eastward to the site of the work. An office and a commissary are being built near Highway 61, on the Cape-Scott county road. Tents to house employees, too, are being rigged up.

Part of the labor for this job will be selected from the government's five-county re-employment office rolls.

Work on another setback Little River levee near Nash is not yet ready to be started. The McGeorge Construction Co., contractor on a large dike and channel project in the Mississippi river at the south edge of Cape Girardeau, is ready to begin construction work. The start, however, is delayed since the federal government has not decided definitely on details for the job. It entails a changing toward the Missouri bank of the river's main channel.—Cape Missourian.

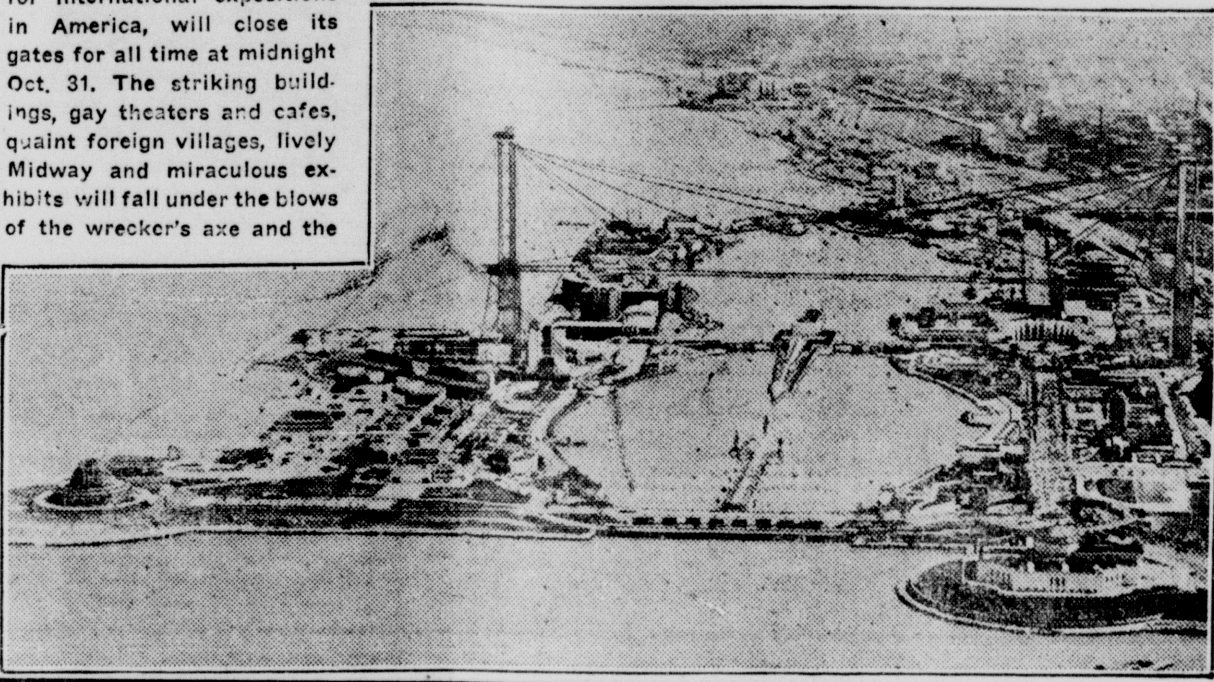

She dared to live for today ... leaving yesterday in the past ... and tomorrow to be dreamed off! —Malone Theatre, Thursday and Friday.

Self-aid is now being stressed in relief work. That type of work will make for rehabilitation and self respect.

SIKESTON, SCOTT COUNTY, MISSOURI TUESDAY MORNING, OCTOBER 9, 1934

NUMBER 3

One Killed, Two Injured As Trucks Crash In Fog

G. S. Sneed, 35-year-old driver for the Bryant Truck Line of Charleston, was almost instantly killed and his helper, Herbert Dickmeyer, 23 years old, of Charleston, was seriously injured when the truck which Sneed was operating crashed almost head-on with a large truck of the Silver Fleet Line of Memphis on Highway 61 fourteen miles south of Sikeston at 4:30 o'clock Saturday morning.

Fred Forby of Memphis, driver of the Silver Fleet transport truck, suffered only minor injuries.

At the Southeast Missouri hospital in Cape Girardeau, where he was taken soon after the wreck, Dickmeyer was found to have a possible fracture of the left knee and severe cuts and bruises on his head.

The accident was believed to have been caused by a heavy fog which hung over an area around Highway 61 from Sikeston to Memphis throughout Friday night and early Saturday morning.

Returning from Arkansas where he had taken a load of merchandise, Sneed was driving his empty truck north to Charleston at the time of the accident. The

Silver Fleet truck, heavily loaded, was enroute to Memphis. Both machines are thought to have been traveling rapidly.

After they collided, the Bryant truck was forced past the Silver Fleet to a point nearby on the east side of the highway. The engine was badly twisted sideways, both wheels pressed back into the truck, one of them into the driver's cab, and the windshield and cab roof flattened. The Silver Fleet truck was also almost ruined. Another truck belonging to the Memphis line arrived at the scene early Saturday morning to transport the load to the Tennessee city, and Troopers John Tandy and Melvin Dace directed traffic on the littered thoroughfare.

Sneed, whose body was taken to Charleston for preparation for burial, is survived by his wife and two small children, who live near Diehlstadt.

Forby, who suffered only minor injuries, was treated by a physician at New Madrid. Dickmeyer, who is married and is a son of Mr. and Mrs. L. F. Dickmeyer of Charleston, had worked for the Bryant line during the last five weeks.

6500 VISIT BENTON FOR NEIGHBOR DAY

A crowd estimated at 6500 attended the neighbor day celebration in Benton Thursday to witness games, contests, and the crowning of the queen, Miss Mary Lou Ford of Morley, to hear band concert music, political speeches and to dance or visit with old friends.

Speakers at the festival included former State Representative E. M. Munger of Chaffee; Judge Harry S. Truman of Independence; former State Senator R. L. Dearmont of Cape Girardeau; Secretary of State Dwight H. Brown of Jefferson City; and Orville Zimmerman of Kennett, Democratic candidate for congress from the tenth district. Dr. G. S. Cannon of Fomfelt presided at the program which included Democratic speakers, while George W. Kirk of Sikeston, Republican candidate for Scott county prosecuting attorney, introduced Judge John McAnally of Kennett, Republican candidate for congress. G. H. McCoy of Dexter, socialist candidate for state senator, also spoke.

The following awards were made:

Imitation cat meow—Won by Charles Hoppe.
Calf bawl—Won by R. S. Higgins.
Ugliest man—Won by Harry A. Smith.
Prettiest brunette—Won by Miss Norma Batey; second, Miss Pauline Scheeter.
Prettiest blonde—Won by Miss Ruth Sue Carr; second, Miss Cavada Lee Hebenstreit.
Prettiest red hair—Won by Miss Betty Jane Jenkins; second, Miss Marcella Gaither.
Prettiest gray hair—Won by Mrs. Belle Keen; second, Mrs. Verda Hatcher.
Baby (boy) under 2 years—won by Albert Lee Harris, Sikeston; (girl) under 2 years—won by Margaret L. James, Blodgett.

Imported Bulbs To Be Planted in Park Soon

The allotment of 5000 bulbs, most of them tulips, which William F. Woehlecke, owner of the Sikeston Greenhouse, ordered from Holland last summer for planting in the American Legion park here late this month, have arrived and been sorted.

Many of the bulbs in the consignment, which includes five varieties of hyacinths, thirty-six of tulips, and several of crocus of mixed colors, are rare. Mr. Woehlecke will rearrange the park's flower beds and will label and plant the bulbs for exhibition purposes, so that in the spring when all of them are blooming flower lovers from throughout Southeast Missouri may come here to see the lavish display of color which they will present.

The bulbs, the varieties of which are printed below, were shipped here directly from a flower farm near Wassenaar, Holland, managed by the father of Theodore Grieviers, a native Hollander who has devoted the last thirteen years to traveling in the United States and abroad in the interests of the farm. Final arrangements for the shipment were made during the early part of June when Mr. Grieviers came here to visit Mr. Woehlecke.

HYACINTHS
Grand Maitre, fine large and broad spike, blue.
King of the Blues, rich dark blue.
La Victoire, deep crimson.
L'Innocence, large, white, well-shaped bells.
Marconie, deep rose pink.

Avis Kennicott, chrome-yellow with black base.
Grenadier, orange red with yellow base.
John Ruskin, salmon-rose, edged soft lemon yellow.

PARROT TULIPS
Fantasie, bright pink.
CROCUS
Mixed colors.

Stage Attraction at Malone Tuesday and Wednesday

Again H. Laffo brings to Sikeston the outstanding musical attraction of the year in his new offering "Footlight Personalities", which will make a personal stage appearance at the Malone Theater for two days starting October 9th and the theater-goers are assured of one big treat.

The company is headed by (The Little Maestro) Lee Le Verne, and his music, a recognized Eastern orchestra of ten talented musicians. Le Verne knows all the tricks of getting music from his band with his baton as though it were a magic wand. Every act in the show is a feature, and every artist a "personality", and offer such well known stars as Sam De Kemel, America's foremost bugler, late feature of the Wever Bros. show, and he really gets hot music from a common Army bugle like a trumpet player.

er gets from a three-valve trumpet.
Adra Cooper, Europe's sensational Girl in Gold, in the dance of "The Golden Goddess" is special.
Tudor Cameron, RKO and Orpheum circuits headline comedian, in "The Janitor".
The Redman Sisters, two very charming and graceful singers and dancers.
Lola Lamond, a clever vocalist that seems to know whether public likes in the art of "blue" songs.
Douglas Marshall is Master of Ceremonies, with a pleasing smile and a winning way he will see that you are well entertained.
Dazzling stage settings, gay music, hilarious comedy, gorgeous costumes, graceful dancing, a rhapsody of songs, in fact the entire production is far above the shows that have played here in the past few years.

Miss Hyacinth Sheppard Is Bride of A. Y. Scales

Miss Hyacinth Sheppard and A. Y. Scales were married in Cape Girardeau at 2 o'clock Sunday afternoon at the home of the Rev. W. A. Humphreys, a Methodist Episcopal minister, who performed the ceremony. Their only attendant was Mrs. Ruth Malone, a close friend of the bride.

Mrs. Scales is a daughter of Mrs. J. N. Sheppard. For the last sixteen years she has been employed at The Standard office as linotype operator.

Mr. Scales, who formerly lived in Bernie, was until four weeks ago a member of the staff at the Atlantic & Pacific store here. Since that time he has been relief manager at the company's store in Perryville, where he and Mrs. Scales went soon after their marriage and where they will live at least temporarily.

BEATRICE MAY SCHOTT

Funeral services for Beatrice May Schott, 7-months-old daughter of Mr. and Mrs. Phillip Schott of New Hamburg, who died at her parents' home in New Hamburg Friday night, were conducted at New Hamburg Catholic church Monday morning. Burial was in New Hamburg.

CHARLES T. JOHNSON

Charles T. Johnson, 50-year-old resident of Fomfelt, died in a Cape Girardeau hospital Saturday afternoon after a week's serious illness. Funeral services were scheduled for the following afternoon. Mr. Johnson formerly lived in Portageville.

Boyett Runs Off, Wife Brings Him To Officers

Dick Boyett of Doniphan, alleged shop lifter, was in jail again Thursday night after a few hours freedom gained by his fleetness of foot.

Boyett was arrested Wednesday by chief of police Bob Davis, after he was caught stealing a leather jacket from Goldstein's store. Thursday morning about 11 o'clock, policeman Lou Moore took him out of the city jail and started with him for the county jail. As Moore started to unlock the patrol wagon Boyett, who used to be a star high school track man, lit out. Moore shot at him but the whizzing bullet only lent wings to his feet.

Late Thursday afternoon Mrs. Boyett, his wife, not knowing that her husband had escaped came to the city jail and asked to see him. She was told of his flight and Moore explained to her that the best thing Boyett could do was to return and face the charges as otherwise he would be continually "on the dodge." Mrs. Boyett left and soon returned with her hubby in tow.

Boyett is now in the county jail facing charges of petty larceny.—Poplar Bluff Republic.

Semo Coal Dealers Re-elect T. C. Knight

T. C. Knight of Parma was re-elected president of the Southeast Missouri Coal Dealers' Association at a meeting of the organization which was held here Thursday night at the Marshall hotel.

Other officers chosen included X. O. Ray of Chaffee, who succeeded P. J. Stearns of Lilbourn as vice-president; and O. H. Gehrig of New Madrid, who was re-elected secretary-treasurer. Among

men named to the association's board was N. E. Fuchs of Sikeston.

Before the end of the meeting, members present heard Sam Dalton of Columbia, relief coal distribution head for Missouri, and E. J. Wallace of St. Louis, a relief fuel distributor, explain state regulations governing the handling of relief coal, and discussed matters pertaining to the coal code.

THIRD OF FAMILY TO BE NAMED MADRID ASSESSOR

Mrs. John Moylan, officially appointed by Governor Guy B. Park to serve as New Madrid county assessor to fill the unexpired term of her husband, John Moylan, who died September 23, is the third member of her family to hold that office during a period of less than two years.

Her husband had been appointed by Governor Park to fill the unexpired term of his son, Will Moylan, who assumed office on January 1, 1933, and died the following July.

She played the man's game a woman's way—Malone Theatre, Thursday and Friday.

CRY OF BUMBLE BEE CAUSED FATAL LEAP

Heeding a cautioning cry of "bumble bee" as she was riding to Sikeston with negro cotton pickers late Friday afternoon, Mrs. George Williams, a negro resident of near Canolou, leaped from the fast moving car in which she sat.

The following morning she died of injuries which she sustained from her jump, and after her body was prepared for burial at the Dempster Undertaking establishment here it was sent to Poplar Bluff for funeral services.

Phone 2 or drop in for a guaranteed permanent, \$2.50 and up.—Tiny Beauty Salon.

Deer Season Opens Oct. 25 For Three Days

With the three-day open season on four-point buck deer just over the horizon sportsmen are making preparations for Missouri's principal big game hunt. The season will be open on October 25, 26 and 27. State game wardens and park keepers report many eligible deer on the principal ranges of the state, to be found in some twenty-five south Missouri counties.

Due to the fact that the kill last year was comparatively light on account of unfavorable weather conditions, hunters should meet with greater success this year than last, many point out. This is the fourth open season for

deer in the state since 1925, when the state was closed because of a dwindled supply of venison.

The deer killed in Missouri during the three-day season last year numbered seventy. Last year sales of deer tags totaled 2,587, the largest in the history of the department. Deer were reported killed legally in about twenty counties.

To hunt deer in the state a resident hunter must have a \$2.50 state hunting license and a deer tag which sells for \$1.50 additional and may be obtained from county clerks and the State Game & Fish Department. Licensed non-resident hunters must pay a fee of \$50.

Corning Bank Robbed of \$7000 Saturday Morning

Four well-armed bandits who believed to be members of the Barker-Karpis gang entered the Corning Bank and Trust Company with its E. Vandover, Saturday morning, and robbed the vault, and fled westward in a tan coupe with \$7000.

Most of the money, however, was tossed into a fireproof safe of new \$100 bills. A \$4000 was in silver half dollars.

After appearing Saturday afternoon in a situation, the bandits were confident that they would be unable to make rapid enough progress through the woods for escape.

An investigation by Butler county officers Saturday disclosed that the four had stopped at filling stations Friday night and were confident that they would be unable to make rapid enough progress through the woods for escape.

companion who had stood in the front door to prevent the entrance of other persons.

Numerous Corning residents paid little attention to the two men who walked from the bank and entered a waiting car and passed through Reyno, Ark., for a point which was not immediately determined.

It was soon learned, however, that near Reyno the four had abandoned the Ford for a waiting Plymouth, which, like the Ford, was found to be a stolen car, and bearing license plates stolen the night previously from a sawmill operator near Corning.

After driving this machine six miles deep into the woods and hills south of Doniphan, they left it and set out on foot. Members of three posses formed to search the district were confident that the bandits would be unable to make rapid enough progress through the woods for escape.

Reviews Negro Out-State Democratic Club Activity

W. G. Mosely, an employee in the workmen's compensation department at Jefferson City and president of the Out-State Negro Democratic club, spoke enthusiastically about the progress in the organization of negro Democrats when he stopped here Saturday during a week-end tour of Southeast Missouri.

Mosely came to Sikeston from Desoto, where he addressed members of a negro Democratic club Thursday night.

At Festus, he said, where a club was organized last July with twenty members, there are now fifty-two, forty-five of whom cast votes for Democratic candidates at the August primary election.

At Desoto, about 50 per cent of the negroes vote the Democratic ticket, and at Poplar Bluff, John Wesley started about twenty years ago with five or six negro Democrats, two-thirds of the negroes of the city and of Butler county support Democrats. In Sikeston, Charleston, and other parts of Southeast Missouri, the percentage of active negro Democrats is approximately 50, Mosely said.

In almost all communities in the central, north and southwestern parts of the state, as well, negroes have regularly organized into Democratic clubs. On April 13, after the Thomas Jefferson birthday celebration in Joplin, Mosely formed the first Democratic club ever organized in Jasper county, and later at Excelsior Springs, he perfected the first association ever active in that town. "The club is interested in the educational phases of politics," Mosely said. "We feel that the negro should be intelligent about the propositions before us contained in the new deal because it

requires intelligence to understand the many-sided propositions embodied in that new term. In every community negroes are responding in a splendid way. The appeal we are making is economic and industrial as well as political. Everywhere we find confidence in the leadership of Mr. Roosevelt. The people are willing to trust him to lead the country back to prosperity."

Before he left Sikeston Mosely stated that Missouri negroes will be given an opportunity to vote in the November election for two of the best friends they have ever had: Judge Harry S. Truman of Independence, Democratic candidate for United States Senator, and Lloyd W. King of Monroe City, Democratic candidate for state superintendent of schools.

While he served as presiding judge of the Jackson County Court, Truman made certain that inmates in the county negro homes were treated splendidly, Mosely said. King has favored not only journalism, general, and business education for negroes, but the entrance and just representation of the negro in industry, he added.

MO. PACIFIC FREIGHT TRAFFIC INCREASES

ST. LOUIS, Oct. 2.—Freight traffic on the Missouri Pacific railroad during September totaled 97,767 carloads, compared with 93,147 carloads in September, 1933. This total was divided 64,646 carloads loaded locally and 33,121 carloads received from connections in September, this year, compared with 62,940 carloads loaded locally and 30,207 carloads received from connections in September, last year.

DELEGATION TO MEET BENNETT CLARK TONITE

This (Tuesday) afternoon a delegation of Democratic leaders will go to Morley to meet United States Senator Bennett Champ Clark of St. Louis who will speak here at a Democratic rally which will be held tonight at the high school gymnasium. All persons who wish to join the delegation may call The Standard office to learn the time and place of starting.

TWO AWARDED OVERALLS AT SHAINBERG'S SATURDAY

John Applewhite of Sikeston was awarded a Lee overall for purchasing the largest number of Lee garments during Shainberg's special sale on Lee merchandise Saturday.

Mr. Applewhite, who bought ten garments, was also awarded an overall for appearing at the store with the largest family dressed in Lee products.

A. Owens of Dexter was presented the third Lee overall offered at Shainberg's sale for accurately determining the amount of thread used in a giant overall.

SIKESTON PHYSICIANS ON FEDERAL COURT DOCKET

Following the arrival of St. Louis court officials in Cape Girardeau on Sunday, Judge C. B. Faris was scheduled to open the October term of the Federal Court in Cape Girardeau Monday morning.

The total of 103 criminal cases set for the term will include hearings for 49 persons who were indicted week before last by a federal grand jury in St. Louis.

Among the cases tentatively set for early this week are those of Dr. Howard A. Dunaway on Tuesday and Drs. J. F. Waters and A. A. Mayfield on Wednesday, all practicing physicians in Sikeston who were arraigned last summer before a federal commissioner in Poplar Bluff on charges of violating the Harrison narcotic act.

Sparkling with laughter! Spangled with songs! The season's sensational new musical treat.—Malone Theatre, Tuesday and Wednesday.

GRANTED DIVORCE

Mrs. Alice Glenn was granted a divorce from Earle Glenn in Common Pleas Court in Cape Girardeau Friday on the grounds that Mr. Glenn failed to provide a home for her. The Glens were married in New Madrid county on November 4, 1907, according to the plaintiff's petition.

CHEVROLET SPONSORS FOOTBALL BROADCASTS

DETROIT, Oct. 8.—Fifty-six of the most important college football games of the 1934 season will be covered play by play in a series of sectional broadcasts sponsored by the Chevrolet Motor Co., which announced the schedule here today. The broadcasts will continue through the season, having begun last Saturday, Oct. 6, with 24 stations broadcasting seven different games each Saturday. Sectional networks and powerful individual stations will combine to give full coverage in each district.

The novel plan of blanketing a large proportion of the United States with sectional broadcasts was adopted by Chevrolet in lieu of national broadcasts of single games in order to give listeners in each area the opportunity to follow the details of the one game in which they are especially interested. The announcement declares that this is the first time that a national sponsor of sports broadcasts has provided for simultaneous reports of the most important contests in different regions.

To supplement the detailed description of each sectional game, there will be broadcasts during "time outs" and between periods of telegraphic bulletins covering other leading games of particular interest in the same section.

The most popular sports announcements on the staffs of the various networks and individual stations have been engaged to give play by play descriptions of the 57 selected games.

Games scheduled in the various sections include all those of the University of Michigan, both at home and abroad; all games of the University of Pennsylvania, with Yale, Navy, Lafayette, Columbia and Cornell among those scheduled; eight University of Chicago or Northwestern games to be played in Chicago or Evanston; nine University of Oklahoma games; nine games in the Southeastern area, following the University of Georgia or Georgia Tech; eight Southwestern games, featuring contests at home and abroad by the leading teams of Texas; and in the Northwestern area, six games of the University of Minnesota, at home and abroad. The scheduled broadcasts of interest to Sikeston listeners, together with the stations carrying the reports, are as follows: Station KYW, Chicago, Announcer: Jack Ryan.

Oct. 13, Michigan at Chicago.
Oct. 20, Indiana at Chicago.
Oct. 27, Ohio State at Northwestern.
Nov. 3, Wisconsin at Northwestern.
Nov. 10, Illinois at Northwestern.
Nov. 17, Notre Dame at Northwestern.
Nov. 24, Illinois at Chicago.

Dwight Brown is responsible for this story. At the race track the starter was having a hard time to get the horses off to a fair break. A woman being excited felt a button or something give way and asked a man standing by for a safety pin. At that minute the horses left the post and the starter announced through the megaphone, "They're off!" and the woman fainted.

The ordinary man knows little of the Constitution, and cares less. What the hungry man wants for himself and family is an opportunity to work and provide for hungry bellies whether it is constitutional or not.

This is to say that the editor of The Standard has no intention of voting for, or supporting, any Republican candidate for any office at the coming election or future elections. At the same time this is purely political and not social, religious or personal, which should give us the right or privilege of saying the Republican candidate is a good citizen, a gentleman and qualified to hold office if elected. At this time we see no prospect of any Republican being elected in Scott County, but if he is, it will be no reason why we should abuse him for being a Republican and having been elected, as he has the same right and privilege of being a Republican in politics as we have being a Democrat.

A Republican meeting was scheduled for the Red Star addition in Cape Girardeau Tuesday evening with Tom Brown of Charleston scheduled to fire the heavy guns. The Republican committeeman of the precinct, a Democratic justice of the peace, and all the Republican county candidates were present. It is authentically reported that Mr. Brown refused to attempt to convert the Democrat, and as the committeeman and county candidates needed no conversion, tents were folded and the well known Arab custom followed.—Jackson Cash-Book.

JULIA C. HOLMES
Funeral services for Miss Julia Catherine Holmes, 62-years old, who died after suffering a heart attack at the home of her sister, Mrs. Aline Sinks in Poplar Bluff early last Tuesday morning, were conducted at the residence at 11 o'clock Thursday morning, the Rev. W. S. Smelser officiating. Burial was in the Woodlawn cemetery.

Besides Mrs. Sinks, Miss Holmes is survived by William Holmes of Sikeston, Charles Holmes of Charleston, and Mrs. Anna Sinks and Adolphus Sinks, both of St. Louis.

Personal News of Sikeston

By Mrs. C. M. Harris, Phone 581

Mrs. Prentice Crawford of Waco, Texas, spent a short while in Sikeston Saturday afternoon, September 29, visiting Mrs. Sarah Matthews and other friends. From Sikeston, Mrs. Crawford went to Piggott, Ark., and thence to her home in Waco. Mrs. Crawford and family were former residents of Sikeston, who owned and operated the Crawford Tourist Camp in the East part of the city. She reports Mr. Crawford to be in very poor health.

More modern than "Divorcee" more startling than "Strangers May Kiss" more glamorous than "A Free Soul" more romantic than "Smilin' Through!"—Malone Theatre, Thursday and Friday.

Mrs. Claude O'Connor and daughter, Mary Lou, and Nickie Walker of Oran spent Wednesday here visiting Mrs. Minnie Decker.

She dared to live her life as she chose—Malone Theatre, Thursday and Friday.

Mrs. M. M. Beck entertained a number of friends Friday. A covered dish luncheon was served at noon.

Miss Lucille Mount of this city and Mr. and Mrs. Fowlkes of Charleston went to St. Louis this week, to attend a meeting of the Grand Chapter of Eastern Stars. Miss Mount is Matron of the local Easter Star Chapter.

Mr. and Mrs. Ralph Anderson and children, and Mrs. C. J. Stevens and children were among those from Sikeston going to Malden, Wednesday night, to attend the Lions Club Fourth Annual Fall Festival. Betty Anderson and Martha Stevens appeared on program with dancers from Sikeston.

Daringly glamorous...sparklingly sophisticated...Norma Shearer's most thrillingly smart role!—Malone Theatre, Thursday and Friday.

Mrs. S. E. Reed is visiting with her brother, H. I. Starck and Mrs. Starck at Santa Ynez, Calif. She will be away for one month.

Mrs. S. H. Pickel, who has been visiting here the past month with her daughter, Mrs. A. A. Harrison, left Sunday for her home at Louisville, Miss. Mr. and Mrs. Harrison accompanied Mrs. Pickel as far as Jackson, Tenn., on her return trip.

The Radio Club met last Monday night with Mrs. Bill Shain. Nine were present. After the business meeting, the evening was spent in playing Radio. Winners were: Mrs. Willard Bennett, first; Mrs. Charles Bethune, second; and Miss Evelyn Hitt, third. The next meeting of the Club will be held on October 15, with Mrs. Elmos Taylor.

Mrs. Jean Hirschberg and son, Jean, Jr., visited in Dexter, Wednesday with her mother, Mrs. D. E. Grojean.

In every woman's life there comes the urge that Lady Rexford dared obey!—Malone Theatre Thursday and Friday.

The Pageant Club of the Woman's Benefit Association, will hold a rummage sale Saturday, October 27. The regular meeting of the Club was held Thursday afternoon at the home of Mrs. C. C. Buchanan.

Mrs. P. J. Stearns and daughter, Betty Ann, Larue Campbell and Mrs. Charles Shelby of Lilbourn, visited here Wednesday with the former's mother, Mrs. J. B. Campbell and family. They were also in Cape Girardeau, where they visited with Mrs. Stearns' daughter, Miss Ruth, a student at the Teachers' College, and witnessed the parade of the Cape celebration.

Dr. Peter Heinbecker and Dr. Williams, both of Washington University in St. Louis and Miss Adelaide Tarrant, also of St. Louis, arrived Saturday to spend the week-end at the home of Dr. and Mrs. T. C. McClurrie.

Gideon and Cicero White, two classmates and Prof. Gillette, all of Fredericktown were six o'clock dinner guests Monday evening of last week of Mr. and Mrs. C. C. Cummins. The party went to Dexter Monday to attend a Southeast Missouri District Conference of the Future Farmers of America, an honorary Society to which vocational agriculture students are entitled to membership.

Gideon White was elected president of the Southeast Missouri District. Mr. White won State honors last year in poultry judging at Columbia, while his brother, Cicero, won Southeast Missouri honors in grain judging of the Southeast Missouri District held at Cape Girardeau last year. The Messrs. White are sons of Mrs. Anna White, formerly Miss Anna Clark of Morley and nephews of Mrs. Cummins of this city.

Y. W. A. TO MEET WITH NEVA MAE TAYLOR TUES.

The regular social meeting of the Y. W. A. of the First Baptist church, will be held at the home of Miss Neva Mae Taylor Tuesday evening, October 9. Every member is cordially invited to be present.

BLACK-DRAUGHT

"Such a Good Laxative," Says Nurse
Writing from her home in Festus, Mo., Mrs. Anna LaPlante says: "I am a practical nurse and I recommend to some of my patients that they take Black-Draught, for it is such a good laxative. I took it for constipation, headache and a dull feeling that I had so much. A few doses of Black-Draught—and I felt just fine."
Because so many people know from having used it that Black-Draught is a good, purely vegetable laxative, millions of packages of it are sold every year.

Notice to Taxpayers!

Notice is hereby given that I will visit the places named below on the dates set opposite thereto, for the purpose of COLLECTING TAXES for the year 1934:

Kelso, Tuesday, Oct. 9
Crowder, Wed. Oct. 10
Vanduser, Thurs. Oct. 11
Morley, Friday, Oct. 12
Chaffee, Monday and Tuesday, Oct. 15-16
Sikeston, Wednes., and Thurs., Oct. 17-18
Diehlstadt, Friday, Oct. 19.
Oran, Monday, Oct. 22.
Ancell, Tuesday, Oct. 23.

In writing for Tax Statements to pay by mail, please do so before DECEMBER 10, as we are very busy in the office after that date, taking care of Cash Business.

EMIL STECK,
COLLECTOR SCOTT COUNTY.

Mr. and Mrs. H. W. Boyce of Anna, Ill., spent the week-end of September 29 here, visiting their son, Charles Boyce, and family.

Mr. and Mrs. Walter Rayburn and children were in Cape Girardeau, Wednesday night, to attend the Religious Pageant at Houck stadium.

Mrs. Ira Keller was tendered a surprise dinner Wednesday at the home of Mrs. W. O. Scott by neighbors. Mr. Keller and family will move this week from the Guy Carter home to Neil Kornegger home on Prosperity Street.

Mrs. Loomis Mayfield was hostess to the Drum and Bugle Club, Wednesday night.

His life was filled with beautiful women and laughter—then along came Anne bringing love. He knew women but it took Anne to prove that a good girl in a bad spot may still be a good girl.—Malone Theatre, Tuesday and Wednesday.

Sikeston Standard, \$2.00 a year.

CANNING KITCHEN CLOSED

On September 28, A. G. Layton of Vanduser, Scott County garden supervisor, removed the cookers, tubs, dish pans, and other equipment from the Sikeston canning center following the closing of the kitchen Thursday so that another project may be started here.

John Thompson, who directed work at the community garden here all spring and summer, as well as canning activities at the kitchen, is now supervising the work of sewing grass seed at the municipal airport. There are now only ten men on the work relief roll here, reduced because of the cotton picking season.

Most of the produce which had been taken to the kitchen for canning has been removed by its owners. There are still numerous pumpkins, however, which Mr.

Meet Capt. Mary

"America's Sweetheart" is Capt. Mary now. She was made an honorary captain of the World's Fair guides when she visited the exposition in Chicago. The Fair will close its gates forever midnight Oct. 31.

Thompson would be glad to have farmers get. If the growers still want their produce canned on shares, Mr. Thompson said, they may take it to Illmo, Vanduser, or Chaffee, where the canning centers are still open.

The work of storing the county's supply of canned good continues. By Friday there were approximately 16,000 quarts of fruits and vegetables sorted and stacked at the kitchen on Center Street.

LILBOURN FAIR WILL HAVE MANY EXHIBITS
A list of the kinds of exhibits

for which prizes will be given at a community fair to be held at Lilbourn Saturday, October 27, has been made public.

Farm products which may be shown include corn, wheat, cotton, oats, rye, soybeans, cowpeas, clover seed, sunflowers, alfalfa, popcorn, pumpkins, watermelons, sorghum, eggs, honey and soap.

Besides these, chickens, geese, ducks, turkeys, and pigeons, all well-known varieties of fruits and vegetables, bread, cakes, pies, cookies, and doughnuts, and examples of needlework may be displayed at the fair.

A DOUBLE WEDDING LAST THURSDAY NIGHT

Miss Clara Littles and Roscoe Bledsoe, and Miss Christine Sizemore and James Smart were united in marriage at 11 o'clock Thursday night, September 27, at a double wedding ceremony performed by Elder John B. Huffman of this city.

Mr. and Mrs. Smart are well-known in this city, having lived

here for several years. The bride being the daughter of Mr. and Mrs. Harvey Sizemore, and an employee at the International Shoe Factory here. Mr. Smart is a singer and musician.

WOMAN'S CLUB TO MEET TUESDAY AFTERNOON

The regular meeting of the Woman's Club will be held at the home of Mrs. J. N. Massengill on Tuesday afternoon at 2:30 o'clock. All members of the Club urged to be present.

MRS. FLORENCE GRISHAM HEADS ROYAL NEIGHBORS

Mrs. Florence Grisham of Charleston was elected district president of the Royal Neighbors at the afternoon session of delegates to the district convention of the lodge which was held at 2:30 o'clock in the I. O. O. F. Hall here.

The following officers were also elected: Vice-president, Mrs. Almo Bowers of Cape Girardeau; chancellor, Mrs. Lizzie Aslyn of Bloomfield; recording secretary-treasurer, Mrs. Olga Suchman of near Sikeston. Mrs. Vivian Gardner, retiring district president, automatically became a past president of the organization.

The afternoon meeting, at which delegates from Royal Neighbor camps in Scott, Mississippi, Cape Girardeau, and Stoddard counties were present, was called to order by Mrs. Ida S. Turley of Cape Girardeau, formerly of Steele, who is district deputy. After Mrs. Sophie Edmondson of Sikeston had presented the flag, "America" had been sung, the 1934 officers had been introduced and seated, and a prayer had been given by Mrs. Mary Pickens of Cape Girardeau, district chancellor, J. A. O'Hara of Sikeston welcomed delegates.

Mrs. Lou Ella Curry of Chillicothe, State supervisor of the lodge, then replied to the welcoming address, and the meeting was formally opened by members of the Sikeston camp. During the reading of reports from all district camps, delegates learned that membership in both the adult and the juvenile branches had increased this year, with the exception of one camp, and that the national Royal Neighbor lodge is in a more secure condition now than ever before.

The afternoon meeting was closed for adjournment to Sheppard's Cafe for dinner after the election of officers and after Mrs. Curry conducted a school of instruction and question box about various matters concerning the camps of the district.

At the evening session, members of the Sikeston camp conducted a memorial service for Royal Neighbor members who have died during the last year: Ruth Connors of Chaffee, Susie Ruple of Oran, Sam Pazett of Charleston, and Emma Shuffeldader of Vanduser.

Other features of the meeting were a period of entertainment, the class adoption and retiring and incoming march conducted by the Cape Girardeau camp, an address by Mrs. Curry, and a vocal solo by Mrs. Ella Winons of Kansas City.

The next annual district convention will be held at Charleston in October, 1935.

Visitors at this conference were Mrs. H. M. Holmes and her daughter, Evelyn, of Alton, Ill.; Mrs. Winons and her son, Uhl Winons of Kansas City; Mrs. Lou Ella Curry of Chillicothe, and Mrs. Ida S. Turley of Cape Girardeau.

Others present at the sessions included Mrs. Mabel Bradberry, Mrs. Florence Grisham, and Mrs. Minnie May, all of Charleston; Mrs. Elsie Barger, Mrs. Mauda Beeding, Mrs. Lillie German, Mrs. Lelah Miller, Mrs. Ollie Wilson, Ted Wilson and Mrs. Letha Huckelby, all of Steele; and Mrs. O. O. Bowers, Mrs. E. E. Brown, Mrs. J. M. Smith, Mrs. E. M. Pickens, Mrs. H. L. Pickens, Mrs. William Schneider, Mrs. Ed Mayer, Mrs. Roy Morgan, Mrs. George Steele,

Children Like Their "Private Fair"

Millions of children have found the Enchanted Island, with its forty new features, even more fun this year than last at the World's Fair in Chicago. Shown here is a section of the Island's Adventure Land. Low travel rates and well-marked highways make Fair travel easy this year.

Mrs. P. J. Greer, Mrs. Harry Herrell, Mrs. Nell Crosnow, Mrs. H. L. Stanley, Mrs. Eunice Childress, Mrs. Frank Preston and Mrs. A. D. Wilson, all of Cape Girardeau.

RIPLEY FARMERS VOTE FOR CORN-HOG PROGRAM

In four Ripley county townships, farmers voted 100 per cent to continue the government's corn-hog program in 1935, and in all other townships in which the vote had been recorded farmers approved the program, according to F. B. Veatch, County Agent.

SERVICES FOR ACCIDENT VICTIM HELD AT ANNISTON

Funeral services for Charles Coleman, 22-year-old University of Missouri student who was burned to death in a car accident ten miles east of Columbia Sunday night, were held at Anniston at 10 o'clock Thursday morning. Many of his Kappa Sigma fraternity brothers went to Anniston to attend the rites.

Coleman died after a tire, which blew out, caused the machine in which he was riding to turn over on Highway 40 and burst into flames. The driver of the car, which was Columbia-bound after a week-end in St. Louis, was able to rescue two women companions, but the fire immediately became so intense

promoted to the rank of colonel of infantry.

He was an incorporator and one of the seventeen charter members of the American Legion and served as chairman of the Paris caucus, which formally perfected that organization. He has served as national commander of the American Legion, commander of the 35th division of the veterans' association, and president of the National Guard Association of the United States.

The eminent son of a famous father, Senator Clark entered politics before his graduation with an LL. B. degree from George Washington University in 1914, which followed graduation from the public schools at Bowling Green, Mo., where he was born, Eastern high school in Washington, and the University of Missouri; for he has attended every Democratic National Convention since 1900, when he was 10 years old.

When he was only 23 years old, Senator Clark began serving as a parliamentarian of the United States House of Representatives, a position which he held four years. In 1916 he was parliamentarian of the Democratic National Convention, and in 1928, a delegate at large and a member of the resolutions and platform committee of the national convention held in Houston, Texas. During the same year he was vice-chairman of the Democratic regional headquarters in St. Louis, where he began to practice law after his discharge from the army.

He was elected to the United States Senate on November 8, 1932, for a six-year term commencing March 4, 1933, but was subsequently appointed to the Senate on February 3, 1933, by Governor Guy B. Park, to fill the unexpired term caused by the resignation of Harry B. Hawes. In addition to his active work in the nation's legislative houses, he has written a highly praised biography of John Quincy Adams.

Senator Clark is a member of the Second Presbyterian church of St. Louis, of the Masonic and Odd Fellow lodges, of the Missouri Athletic Club, and of the St. Louis and the American Bar Associations.

FORTY-SEVEN ATTEND LIFE AGENTS' MEETING IN CAPE

Forty-seven life insurance agents of Southeast Missouri heard R. Emmett O'Malley, superintendent of insurance in Missouri state that his aim is "to protect the policyholder, and elevate the underwriters' profession by driving out companies undesirable in management who do not regard the

trusteeship of life insurance highly enough, and force out investors and underwriters who are undesirable", when they convened at the Colonial Tavern near Cape Girardeau Wednesday afternoon for a luncheon meeting of the district life underwriters' association.

Agents attending the session were from Bertrand, Charleston, Kennett, Poplar Bluff, Oak Ridge, Sikeston, Cape Girardeau and Caruthersville.

In addition to Mr. O'Malley, guests at the session included Louis Throgmorton of Shreveport, La., who talked on "Prospecting", and C. W. Breidecker and W. S. Bryan, both of St. Louis. C. Lyle Malone, president of the organization, presided, and Dr. J. H. Ruff sang a solo and led group singing.

The float entered in the Cape Girardeau anniversary parade by the life underwriters' association showed children, a widow and child, and old people, all of whom were dependent upon the returns from money invested in insurance.

Women will applaud her courage!—Malone Theatre, Thursday and Friday.

tion to serve as the rear of the show windows, the building of a new ceiling, and general cleaning and refinishing, will probably be finished either by October 13 or 20.

E very woman will see her own problems mirrored in the glamorous characterization played by the exquisite Norma Shearer in "Riptide!" — Malone Theatre, Thursday and Friday.

SIKESTON, MO.

BULLDOGS WIN 19-6

A hard fighting and unified Bulldog team trounced the Charleston Bluejays 19 to 6 here Friday night before a crowd which filled both bleachers and lined the field. The game was featured by sensationally long runs by Billy Bob Donnell and long passes, some of them incompletes, by Rushing, a sophomore with much promise.

With a bad start, Sikeston allowed Charleston to carry the ball for a 25-yard gain immediately after the first kick-off. By a series of long and short plunges, made possible by the use of intricate reverse and cutback pass plays and by the fact that it was difficult to distinguish the carrier of the white ball because of its ability to blend with the white on Charleston men's sweaters, the Bluejays, mostly by the efforts of Hardwick, Bynum, and Reeves, soon took the pigskin over the line for a touchdown. A pass failed to net an extra point.

Receiving Charleston's kick-off on the Sikeston 8-yard line, Bennett returned the ball for a 10-yard gain. Then Moore Greer's punt was recovered by Paul Jones on the 50-yard line. A second punt by Greer was recovered by Hardwick of Charleston. The quarter ended after Donnell had snatched a Charleston punt and returned the ball to the Bluejay's 40-yard line.

Sikeston's first touchdown was made near the end of the second quarter after a Sikeston punt had been recovered by Bynum for the Bluejay eleven. Charleston lost the ball on downs, Donnell ran for a 15-yard gain, Hessling plunged 5 yards, Bennett was taken for an 8-yard loss, a Sikeston punt was recovered by Hardwick and a Charleston punt recovered by Donnell, who rushed through the Charleston defense for a 20-yard gain.

Rushing's pass to Robinson then netted Sikeston 24 additional yards, and a touchdown after Donnell made three short gains, to place the ball on the Charleston 5-yard line at the first down.

Donnell again carried the ball a yard and a half, and then rushed the remaining distance to place it over the line. His pass to Hessling was completed to make the score 7 to 6.

The third quarter was scoreless, Donnell, Greer and Rushing again making short gains before Sikeston lost the ball on downs. The Bluejay's Bynum then made a 25-yard run, but Charleston lost the ball after a punt which was recovered by Donnell on the Sikeston 30-yard line and then taken 25 yards by Greer. After two small gains, Rushing passed the ball being intercepted by Hardwick on the Charleston 10-yard line. A Bluejay punt was then recovered by Donnell, who ran to the Charleston 41-yard line.

After a loss of seven yards and only negligible gains, Sikeston made a punt at the beginning of the last quarter which was almost recovered by Charleston's Mehler, but was taken by Paul Jones on Charleston's 5-yard line. Donnell then ran over the line for a touchdown. A pass for an extra point was forfeited.

After the kickoff Hardwick returned the ball for a 20-yard gain, but Robinson soon recovered a Bluejay fumble and Donnell made a 7-yard gain for a first down. Sikeston's third touchdown followed soon afterward, when Rushing's pass of 40 yards to Jones was completed and Jones ran over the line. A kick failed to give Sikeston an additional point.

During the rest of the quarter, both teams played only ordinary football, making small gains or losing the ball on downs. Sikeston was penalized 5 yards twice for being off side.

After the beginning of the first quarter, when Charleston confused the Bulldogs and scored, Sikeston's defense was greatly improved and its offensive creditable, combining with Charleston's lack of proper defense to make possible the frequent long runs.

Dexter, Sikeston's next opponent whom the Bulldogs will meet at their first game away from home Friday, defeated the Caruthersville eleven by a score of 21 to 0 Friday. On the same day, Piggott, Ark., downed Poplar Bluff 13 to 6.

The following summary of the game was compiled by Bob Nicholson:

Scrimmage, Sikeston 107 yards, Charleston 133 yards; punts, Sikeston 258 yards, averaging 32 yards, Charleston, 232 yards, averaging 33 yards.

Passes, Sikeston 11 for 78 yards, 6 incomplete, 1 intercepted; Charleston 12 for 13 yards, 9 incomplete, 1 intercepted.

Penalties, Sikeston twice for 10 yards, Charleston once for 5 yards.

First downs, Sikeston 10, Charleston 9.

The starting lineup:

Sikeston	Position	Charleston
Jones	le	Hay
Conrad	lt	Roberts
Felker	lg	E. Stricker
Beal	c	Shortz
Dover	rg	Sisk
Alliston	rt	Mehler
Robinson	re	Bush
Hessling	qb	Hardwick
Greer	lhb	Bynum
Bennett	rhb	Reeves
Donnell	fb	Wallace

Substitutions: Sikeston: Rushing for Bennett, Grant for Alliston, Wilson for Greer. Charleston: E. DeField for Shortz, Babb for Reeves, Wood for Roberts, Small for Bush, E. Stricker for DeField, Putnam for Sisk, Hequembourg for Mehler, Oliver for Wood.

SHAINBERG'S

DR. CARL AGEE TO TALK AT CHRISTIAN CHURCH ON SUNDAY

Dr. Carl Agee, dean of the Bible College at Columbia, will preach at the morning services at the Christian church here next Sunday, October 14, according to the Rev. R. M. Talbert, pastor of the church.

After the services, which will begin at 10:45 o'clock, Dr. Agee and members of the congregation will go to East Prairie for a basket dinner and a convention.

James V. Conran Discusses Bankhead Bill

COMPARISON MADE WITH WHAT FARMERS RECEIVED UNDER HOOVER AND UNDER ROOSEVELT ADMINISTRATIONS. COTTON FARMERS GAIN 133 PER CENT ON NON-CONTRACT LAND

Prosecuting Attorney Jas. V. Conran, in his speech delivered at the Democratic Rally held at the Court House in New Madrid Monday night, took up and discussed the Bankhead Bill as it affects the cotton farmers in Missouri, especially in regard to how the share-cropper fares under the bill. Comparison is made with the year 1932, the last year of the Hoover administration, as against the Roosevelt administration in 1934. Following are the facts and figures as given by Mr. Conran, together with his comments on the final analysis of the figures.

The following figures are based on the completed allotments as fixed by the local and County Committees after placing the Contract signer and the non-signer on the same basis as to base acreage and base yield.

Republican	Democratic
Hoover Cotton at the Best	Roosevelt Cotton at the Worst
500 lb bale @ .06c	500 lb bale @ 13c
\$30.00	\$65.00
Rebate on seed	Rebate on seed over cost of ginning
\$3.00	7.50
Gross from bale	Gross from bale
\$27.00	\$72.50
Share-cropper's 1/2	Less payment of full tax
\$13.50	28.35
It took 1700 pounds of seed cotton to make the 500 lb bale of lint and picking cost 50c per hundred	Sub-gross from bale
\$ 8.50	\$44.15
Net to cropper, not counting bagging, ties, hauling, etc., per bale	Share-cropper's 1/2
\$ 5.00	\$22.07
Democratic Roosevelt Cotton	It took 1700 pounds of seed cotton to make the 500 lb bale of lint and picking cost \$1 per hundred
Now take the share-cropper if he is on reduction contract land he will be allowed to sell practically all his cotton free of tax, which is Democratic-Roosevelt Cotton at the best, as follows:	\$17.00
500 lb bale @ 13c	Net to cropper, not counting bagging, ties, hauling, etc., but with full tax paid
\$65.00	\$ 5.07
Rebate on seed over cost of ginning	But, at the worst, Missouri will be allowed 200,000 bales exemption tickets, and we shall not produce over 180,000 bales, which means that exemption tickets may be bought for Full tax
7.50	\$28.35
Gross from bale	\$20.00 per bale; therefore the following:
\$72.50	Actual cost of Ex. certificates in Missouri
Share-cropper's 1/2	\$20.00
36.25	Saving
Less cost of picking	Share-cropper's 1/2
17.00	\$ 8.35
Net to share-cropper	Share-cropper's 1/2
\$19.25	\$4.17 plus \$5.37 equals
1/2 Parity payment @ 1c lb	\$9.24
2.50	Net to share-cropper on each bale with tax paid.
Per bale net to cropper	\$21.75

Now say he has ten acres in cotton, and under the contract he is allowed a base allotment of 325 pounds lint to the acre, for which he receives exemption certificates. But he produces 500 pounds to the acre; then we find the following:

10 acres multiplied by 325 pounds equals 3250 pounds tax free. 3250 pounds divided by 500 equals 6 1/2 bales.
10 acres multiplied by 175 pounds equals 1750 pounds on which tax is

to be paid. 1750 pounds divided by 500 equals 3 1/2 bales.
He nets \$21.75 on 6 1/2 bales, on which he pays no tax, equals \$141.37
He nets \$9.24 on 3 1/2 bales on which he pays the tax, equals 32.34

Total net to this share-cropper on 10 acres (Net increase nearly 4 times)
Under the Republicans and Hoover he made \$5.00 per acre, which, multiplied by 10 equals \$ 40.00

Total gain under the Democrats and Roosevelt \$123.71
Now, for example, take the share cropper who has 10 acres of cotton, and who is on land not under a reduction contract. Say he produces 500 pounds of lint cotton or a bale to the acre, then we find as follows:

He is given exemption certificates for 62% of his crop on a base of 325 pounds on 6.20 acres free of tax, which amounts to 4.03 bales tax free. He pays the tax on 3.80 acres, 500 pounds to the acre, which amounts to 3.80 bales. Then he produces an excess of 175 pounds on 6.20 acres upon which he must pay the tax, which amounts to 2.17 bales. This gives him 5.97 bales upon which tax must be paid. Therefore, we find this share-cropper in the following condition:

4.03 bales, free of tax, @ \$19.25 net \$ 77.57
5.97 bales, on which he pays the tax, @ \$9.24 net 55.16

Total net to the share-cropper (net increase nearly three times) \$132.73

Total to same share-cropper under Republicans and Hoover \$ 50.00

Total gain under the Democrats and Roosevelt \$ 82.73
These actual figures show that the share-cropper on land covered by a reduction contract is now nearly four times better off than he was under the Republicans, just two years ago.

The cropper on land not under contract is nearly three times better off; because he now receives, with tax paid, net to him the sum of \$132.73 on 10 acres, whereas two years ago he received only \$50.00 on the same ground for the same amount of cotton. The net gain, or increase, to this man is practically 133%.

Some complainers say that he is no better off than before because his cost of living has increased 50%. To show how absurd this argument is, let us grant that the cost of living has increased 50%—yet he now receives 133% more for his crop after paying the tax which leaves him a net gain of 83% over his old income after adding to 50% increase in cost of living. Then, on top of that, he now receives \$1.00 per hundred for picking his present crop, whereas under the Republicans he received from 25 cents to 50 cents; this gives him an increase now of at least 100%, and if it costs him 50% more to live, he still, above it all, on this score alone, has 50% more coin to jingle in his pockets.

When our Republican Brethren, or anybody else, tell the cotton farmer of Missouri that he is no better off than he was, then he either deliberately misquotes the facts or is honestly ignorant of the facts.

The illustrations given above, of course, will not fit each individual case, because the acres planted and the cotton produced will vary, but the percentage of increase will remain the same in each instance.

The same increase applies as well to the tenant-farmer and the landlord as it does to the share-cropper, according to his interest in the crop, and so we find that all cotton farmers in Missouri, even though they pay the tax on cotton, are and will be at least 133% better off in the matter of money received than they were proportionally, two years ago, under the Republicans and Herbert Hoover.

So the voters of Missouri have their choice. If they choose to return to an unsympathetic party, which fosters the principals of Herbert Hoover and still looks to him as its leader, then they should vote the Republican ticket.

If, on the other hand, they would keep in power a sympathetic party with that peerless leader, Franklin Delano Roosevelt, at its head, the man who has done so much for us in less than two short years, they should vote for and support the men who will work for and support the program of this great man toward National Recovery, and those men are found only on the Democratic Ticket.—New Madrid Record, Sept. 2th, 1934.

Miss Catherine Jane Mitchell of Siketon, the festival's retiring queen.

Twenty-four young women representing Charleston, New Madrid, Clarkton, Poplar Bluff, Hayti, and Malden competed for the title. Soon after the coronation, Miss Converse and Miss Mary Stokes, Malden's official queen, attended a ball given in their honor.

Fire Prevention Week October 7th to 13th.

Guard Your Property

In matches, rubbish, oily rags, hot ashes and poor electric wiring you have fire hazards that cannot be ignored without increasing the chances of serious fire loss.

You can help save life and property by preventing fire. Remove hazards, build with fire-resisting materials and insure adequately.

FIRE PREVENTION WEEK

Fire Prevention Week Comes Again

Fire Prevention Week is being observed again. The week, which has become a national custom, has been formally initiated by proclamations by the President, governors of states, Mayor Presnell and other prominent persons in public and private life.

During the week every citizen has a splendid opportunity to learn the fundamentals of fire prevention and control. Through speeches, newspaper and magazine articles, exhibits and other means, an intensive effort is being made to enlist the citizen's interest.

Fire prevention is a civic duty which every citizen owes to himself and to every other person. We all pay for fire—we pay for it in lost business, destroyed jobs, higher taxes and insurance rates. On the average, each family contributes \$4 a year as a tribute to Moloch—dollars which are destroyed as surely as if we tossed them into a stove. Worse still, three people—two adults and a child—out of each 39,000 of our population, are sacrificed to the pagan god—because we are ignorant and careless when it comes to fire.

In the past, it has often been the experience that fire losses dropped during the week and for a short period thereafter, only to rise again as the public gradually forgot the information gleaned. This year we should observe this special week and devote a little time during it to really learning the fundamentals of fire prevention, then remember and practice them in the future.

Truman Speaks Neighbor Day

Benton, October 4.—Before thousands of persons meeting here today at the Neighbor Day celebration, Judge Harry S. Truman of Independence, Democratic candidate for United States Senator,

extolled the farm relief policies of President Roosevelt.

The benefits which had been given the farmer, he said, were reflected over the entire Middle West, where business conditions, he declared, were better than in the industrial East.

"The reason for this condition," he asserted, "is that the farm processing taxes, the corn-hog program and the general easement of debt conditions on the farm have

brought about a situation of uniform betterment among all the people of the farm communities.

"This is in contrast with the processing taxes given the manufacturer in the way of a tariff. The manufacturer is the only one who benefits. He sticks almost the entire sum derived from his processing taxes in his own pocket. In spite of the fact that this tariff is now almost double the average tax under the former Fordner-McCumber tariff bill, the industrial regions still have their underpaid millions."

This condition persists, he said, in spite of the fact that industrial conditions are nearer normal than the situation in any other line of American effort.

"It is true that the income of the American farm this year, according to reliable estimates, will be nearly one billion dollars more than in 1933," he said. "But farm income is still totally inadequate to make farming a profitable calling. Until it is made so, the one-quarter of our people living on the farm and the 15 per cent of others dependent on farm success to achieve prosperity, will constitute a permanent national peril."

"It should be the proper concern of every member of congress to make farming pay. For fifty years, this nation has been a unit in an effort to make industry profitable. Its people have sacrificed much to aid industry. Yet the leaders of industry, instead of far-sighted view of aiding themselves by providing customers in farm districts, are crying out against farm processing taxes."

"Their position is so absurd as to be ridiculous, if it were not so pathetic. The factory is yoked with the farm in the effort to pull the nation out of the depression. Neither can lie back on the traces or refuse in any way to pull its share of the load. It will take, instead, the best effort of each to carry us along to prosperity."

Truman said that he had read that some persons had declared that the recent drought was a visitation on us because of the fact that an effort had been made to cut down farm production. Yet, he asserted, it is the most common practice in industry to cut down production at the first sign of overproduction. Factories still stand and have no visitations, he said.

"I would far rather believe if there has been a Divine Hand in the affairs of this nation in the last year and a half," he continued, "that God raised up Roosevelt and put in his mind a year before there was need of it all of the measures of the New Deal, which protected the farmer, the worker and many of the millions who have suffered so long and acutely because of national Republican mismanagement of our federal affairs."

"It seems like Divine interpro-

position that the reckless and misguided government which we had and through which we were rapidly drifting onto the rocks of violence, was displaced and that a new regime, filled with concern for all our people, took a hand in its government."

There was no need of President Roosevelt recapitulating in his radio address Sunday night, the great and beneficial results of the New Deal, Truman said. These could be evidenced by the hope in the minds and hearts of the people; by the feeling of security millions have that come what may they shall not starve by increased employment and assurance that the best efforts of the national administration will be exerted for common welfare rather than for the enrichment of a few.

His ten years of experience on the farm Truman declared taught him the need of making farming profitable if this nation is to endure. There is no question longer, he said, that this nation can succeed by using all its efforts on behalf of business and ignoring an industry in which there are more employed, as well as more capital used, such as the farm is.

Mr. Truman spent Wednesday night here at the Del Rey hotel. After visiting with Siketon Democratic leaders Thursday morning he was the guest of C. L. Blanton, Sr., at a luncheon at the Marshall Hotel.

Among the other fifteen guests at the luncheon were Matt S. Murray, Superintendent of Public Works at Kansas City, and State

Senator J. H. McDowell of Charleston.

She married a title at the cost of her freedom!—Malone Theatre, Thursday and Friday.

COMMERCIAL FAILURES DROP TO 1920 LEVEL

NEW YORK.—Business failures in September have been at the minimum for any month this year or for a great many years. The number in the United States for the latest week, which ended on Thursday, September 20, as shown by the records of Dun & Bradstreet, Inc., was 182. This compared with 199 and 174, respectively for the two preceding weeks, the latter week, that of the short week of September 6, covering the Labor Day holiday. For the week of September 21, 1933, there were 259 similar defaults. In no full week since September 1920 have there been so few failures reported in a single week.

She lived in "The Divorcee". She loved in "Strangers May Kiss". She lied in "Strange Interlude". Now the modern woman wins new triumphs of romantic daring in "Riptide". Norma Shearer's greatest most thrillingly glamorous role!—Malone Theatre, Thursday and Friday.

DO YOUR PART IN HELPING TO PREVENT COSTLY AND DANGEROUS FIRES!

WARNING!
to Every Property Owner and Renter

TRASH—

Clean up all refuse, oily rags and other materials that may start fire by spontaneous combustion or any other method. If repairing or remodeling, clean up all lumber, etc., left when job is done.

FLUES—

Before building any fire in the furnace, range, heating stove or fireplace all flues must be cleaned and put in first class shape. And while repairing or remodeling, check insulation of wiring and chimney carefully to prevent future fires.

In your construction work and as a part of your regular fall preparation for winter see to it that your home can stand a rigid building and fire inspection to conform with the ordinances of this city. The fewer fires we have, the lower insurance rates will be.

G. W. H. PRESNELL, Mayor
JOHN A. YOUNG, Chief
Siketon Fire Department

We Are Asking You to DO Something

—to safeguard the lives of your family, YOUR Property, and the lives and property of your neighbors.
—Remove all rubbish from your premises.

—Improve the safety of your property by repairing with strictly fire-resistant materials.
—Be careful at ALL times with matches, oil, gas, electricity—and be sure to extinguish the last spark when discarding cigarettes, cigars and pipe tobacco.

SIKESTON, MO.

A PROCLAMATION

By the Mayor of the City of Sikeston,
Missouri

WHEREAS, the week of October 7th to 13th has been designated as NATIONAL FIRE PREVENTION WEEK by proclamations of the President of the United States, and of the Governor of the State of Missouri, a time for all persons to direct their attention to the savage destruction of human life and the appalling waste of wealth and property by fire, and

WHEREAS, this destruction of life and property by fire occurs daily and is a serious drain on our national life, and the larger part of this fire waste could be avoided through carefulness and by fire protection and fire prevention,

THEREFORE I, G. W. H. Presnell, Mayor of the City of Sikeston, by authority in me vested, do hereby proclaim the week of October 7th to 13th as Fire Prevention Week in this community. To each citizen I recommend an earnest and active interest in the occasion so that a better understanding of each individual's responsibility for fires may be secured. All civic organizations, business associations, school authorities, women's clubs, and all others interested in public and private welfare, should assist in furthering this important observance.

Given under my hand and the seal of the City of Sikeston, this 3rd day of October in the year of our Lord one thousand nine hundred and thirty-four.

G. W. H. PRESNELL, Mayor.

ATTEST:
A. C. BARRETT, City Clerk.

50 COUNTIES FAVOR CORN-HOG PROGRAM

COLUMBIA, Oct. 5.—Returns from 51 counties, with about a dozen complete or nearly complete, give 7743 votes for to 3709 against continuation in 1935 of the AAA corn-hog reduction program, according to J. W. Burch, State Corn-Hog Administrator in charge of the Missouri AAA poll.

On the second question voted on—whether a one-contract-per-farm system, including all grains and livestock, should be adopted for 1936—the vote for the same area was 5376 yes and 3768 no. Non-signers of AAA contracts, although eligible to vote, were taking small part in the poll. Non-signer votes thus far tabulated showed 242 yes and 421 no on question one and 219 yes and 396 no on question two.

Cass County, where corn-hog producers turned down the AAA program on the second question by 573 to 465, and voted favorably on question one by a margin of but 545 to 525, was the most unfavorable report received yet. Counteracting such votes, however, were those of counties like Buchanan, which voted 292 yes on question No. one to 72 no, and affirmative on question two, 267 to 72, or Shelby county, which favored retention of the AAA plan by a margin of 467 to 96 on question one.

Returns received thus far Burch announced, indicate that not more than about 40 per cent of the 110,000 Missouri AAA corn-hog signers will vote in the referendum and only a scattering of non-signers. Burch expressed disappointment over the light vote, pointing out that it might result in an inaccurate portrayal of Missouri farm sentiment on the AAA. On the basis of the vote thus far, Burch predicted the final result will be a decision of about 2 1/3 to 1 in favor of continuation of the AAA plan in Missouri.

Burch also announced today that under the 1934 corn-hog program, 113 of Missouri's 114 counties have received to date all or a major portion of their first benefit installments, amounting to \$9,712,589. Payments within the next two weeks will shove the total above \$10,000,000.—St. Louis Post-Dispatch.

JUDGE FRANK KELLY FOR CIRCUIT JUDGE

We hear some Republicans say that some Democrats in this county will support Steve Barton for circuit judge of this district, but we personally know of none. In our opinion it is merely campaign propaganda which will fail in its purpose.

This paper would like to know of just one reason why any Demo-

crat should vote for Steve Barton.

He has been practicing law in this district for a good many years, but so far as we are informed, he has not risen to any great heights in his profession and from our information he is just a plain, ordinary, country lawyer, who has never been tried in a judicial position of importance.

We do know this, that in 1932, he made some of the rankest Republican speeches that were made in this county. At Gordonville he appealed to the prejudices of the mothers whose sons he said Woodrow Wilson and the Democrats used as gun fodder. He has been lambasting Democrats and their party since he has been able to climb on a stump, and just what there is about him to attract a Democrat is more than the Cash-Book is able to discern.

Judge Frank Kelly, the Democratic nominee, has been circuit judge in this district for a number of years. He has been tested and tried. There has never come to this office any report or charge of the slightest character as to his unfairness or dishonesty. He may have made honest mistakes, but none which were influenced by prejudice or hope of reward. The positions of judges of our courts should not be permitted to become political rewards. We must have judges who are capable, clean and honest, and this paper is sure that Judge Kelly fills the bill. We do not believe that any good Democrat will support Steve Barton.—Jackson Cash-Book.

He wouldn't take "no" for an answer—not from a customer and not from the girl he loved. The result is the largest order of music, laughter, talent and tunes you ever saw on the screen.—Malone Theatre, Tuesday and Wednesday.

LEEVE PROJECT NEAR CAPE TO BEGIN SOON

The Forcum-James Co., contractor for rebuilding a section of Little River Drainage District setback levee east of Highway 61 south of Cape Girardeau, is getting equipment there and soon will start construction activities.

Heavy machines are to be shipped by rail to Nash, then moved eastward to the site of the work. An office and a commissary are being built near Highway 61, on the Cape-Sikeston county road. Tents to house employees, too, are being rigged up.

Part of the labor for the job will be selected from the government's five-county re-employment office rolls.

Work on another setback Little River levee near Nash is not yet ready to be started.

The McGeorge Construction Co., contractor on a large dike and channel project in the Mississippi river at the south edge of Cape Girardeau, is ready to begin construction work. The start, however, is delayed since the federal government has not decided definitely on details for the job. It entails a changing toward the Missouri bank of the river's main channel.—Cape Missourian.

She dared to live for today... leaving yesterday in the past... and tomorrow to be dreamed of! —Malone Theatre, Thursday and Friday.

Self-aid is now being stressed in relief work. That type of work will make for rehabilitation and self respect.

FIRE PREVENTION WEEK

A Century of Progress Closes Forever Oct. 31

This is the airman's view of the World's Fair in most spectacular of all Fairs will live only in memory. Chicago which, having broken all attendance records, cry. The Fair will remain intact until closing day.

for international expositions in America, will close its gates for all time at midnight Oct. 31. The striking buildings, gay theaters and cafes, quaint foreign villages, lively Midway and miraculous exhibits will fall under the blows of the wrecker's axe and the

Someone stole an aluminum capsule containing nine milligrams of radium, valued at \$1000, from a Chicago world's fair exhibit. Dr. Luther Gable, in charge of the exhibit, warned: "If the capsule is opened and the thief gets the radium under his finger nails he will probably lose a finger. If he gets it into his hair he will lose his mind. If he contacts the entire supply he may die".

High-powered salesmanship — high pressure love! Put two and

two together and you have a sum of melody, mirth and romance that will make you say, "I LIKE IT THAT WAY."—Malone Theatre, Tuesday and Wednesday.

Gen. John F. O'Ryan resigned as New York Police Commissioner and bitterly assailed Mayor La Guardia. He accused him of interfering with the department, disrupting its morale, encouraging public disorder and sympathizing with Communists. Reading of some magazines

makes one wonder what kind of stuff the editor rejected.

The Contents of Their Home Destroyed and Hardly Enough Insurance to Refurnish One Room!

He had coasted along, renewing each year his small policy on Residence Contents. He never thought how much more money was represented by new radio, furniture, pictures, jewelry, silver, clothing, etc. But he learned very quickly when the replacement bills began to come in and he had scarcely enough insurance to refurnish the living room.

Nine out of ten men under-rate and under-insure their household possessions. If you have not made a detailed inventory of the contents of your home, better do so now and be sure you have enough insurance to cover the values you find. For advice see

ST. LOUIS CARDS WIN SIXTH GAME OF SERIES

The St. Louis Cardinals won the sixth game of the world series Monday afternoon at Navin Field, Detroit, with the score of 4 to 3. Twice during the game the Cards took the lead and the Tigers tied the score.

The Cards scored one run in the seventh inning to break the tie and take the lead with which they finished. Paul Dean and DeLancey were batters for the Cardinals. Schoolboy Rowe had Cochrane for the Tigers. Cards: 4 runs, 10 hits, 2 errors; Tigers: 3 runs, 7 hits, 1 error.

SIX ATTEND TRUCK MEETING AT CAPE

Six Skeston truck company representatives attended a district meeting of members of the Missouri Truck and Terminal Association held at 7 o'clock Saturday evening at the Colonial Tavern near Cape Girardeau.

They are Gene Potashnick, W. L. Righter, William Carson, Ernest Jones, Curtis Smith, and J. F. Cox, Jr.

H. T. Bryant of Charleston, president of the organization, presided at the session, at which members discussed the motor truck code.

The King's Highway Chapter of the D.A.R. will meet Friday afternoon at the home of Mrs. Theo-

dore Black. All members are urged to attend, as it is the first meeting for this fall and plans will be completed for attending the Regional Meeting which will be held in Farmington Saturday, October 13.

Sikeston Standard, \$2.00 a year.

WHAT'S IT ALL ABOUT?

Asks the Common Sense Motorist

You'll get dizzy if you try to follow all the blatant advertising claims of various gasolines.

But you don't want words—you want performance! That's where Simpson's Premium Gasoline proves its case—not in the newspapers but on the road.

It's a full 70 Octane gasoline and that accounts for such a fine product, and its unusual performance and extra power and mileage.
